with a coverage effective date of June 01, 2010, or later. As of May 31, 2010, we will cease to market our 1990 Standardized Medicare Supplement Benefit Plans previously approved by your Department.

The application is designed to be used in paper and electronic environments. When used in an electronic environment, the spacing and font may vary from the paper form, but the text will remain the same. The companies described on the application are filed as variable as the application is designed for Multi-Company use. The identical application will be filed under separate cover with each company's 2010 plan filing. Upon approval, the company will be added to the final marketed application. We will not add a new company or revise the company name without prior filing.

The plan availability on the application is described as variable, should we decide not to offer a plan in the future. Plan "A" and Plan "F" remain non-variable. We will remove the reference to Plans E, H, I and J on May 31, 2010 as these plans will no longer be available due to Federal mandate.

We request the outline of coverage form be filed variable to the extent that rates, addresses, dates, federal co-payments, deductibles and other variable material can be changed over time when appropriate and when amended by regulation.

Variability is also requested for bracketed text shown on all policy schedules and for the bracketed telephone numbers shown on the face page of each policy. Note that member-specific information such as policy owner name, age, sex, dates, premium, etc., may vary between policy issues and, therefore is bracketed as variable.

The actuarial memorandum, rates and any required supporting documents are enclosed.

GUARANTEED RENEWABLE FOR LIFE

RENEWAL AND PREMIUM PAYMENT PROVISIONS

This policy may be kept in force during Your lifetime by paying the premiums on time. We cannot cancel or refuse to renew this policy for any reason other than nonpayment of premium or material misrepresentation in the application for insurance. On each premium due date, the premium may change if a new table of rates is applicable to the policy but only as specified in the Right to Adjust Future Premiums provision as stated in Part 5. If We change the premium rates for all policies of this form issued by Us and in force in Your state, We will inform You in writing before the change occurs at the address shown in Our records.

PREEXISTING CONDITION(S) LIMITATION PROVISION

This policy will not cover loss due to Preexisting Condition(s) unless the expense for that loss is incurred more than six (6) months after the effective date of coverage.

This provision does not apply if, as of the date of application, You had a Continuous Period of Creditable Coverage or had prior coverage under a Medicare Supplement policy for at least six (6) months. If, as of the date of application, You had less than six (6) months prior Creditable Coverage, the Preexisting Conditions limitation will be reduced by the aggregate amount of Creditable Coverage. If this policy is replacing another Medicare Supplement policy, credit will be given for any portion of the waiting period that has been satisfied. This provision does not apply if You applied for and were issued this policy under guaranteed issue status.

IMPORTANT NOTICE! PLEASE READ

Please read the copy of the application attached to this policy. Omissions or misstatements in the application could cause an otherwise valid claim to be denied or coverage to be rescinded. Carefully check the application and write to Loyal American Life Insurance Company at [P.O. Box 559004, Austin, Texas 78755-9004] within ten (10) days if any information shown on it is not correct and complete or if any medical history has been left out. PART 1: BASIC INFORMATION ABOUT THIS POLICY AND MEDICARE

Some words and phrases in this policy may be new to You. We want You to understand them. The words and phrases that follow are those used in administering Medicare Supplemental benefits. These words are capitalized wherever they appear in the policy. Where used in this policy, the following words and phrases mean:

DEFINITIONS

BENEFIT PERIOD: A benefit period begins the first day You are confined in a Hospital. The benefit period ends when You have not received any inpatient Hospital care for sixty (60) days in a row. If You go into a Hospital after one benefit period has ended, a new benefit period begins. You must pay the inpatient Hospital deductible or a portion thereof for each benefit period, unless such coverage is listed as an additional benefit in this policy.

COINSURANCE: The percent of the Medicare approved amount that You have to pay after You pay the deductible for Part A and or Part B. In the Medicare Plan, the coinsurance payment is a percentage of the cost of the service.

CO-PAYMENTS: The amount You pay for each medical service, like a Physician's visit. A co-payment is usually a set amount You pay. For example, this could be \$10.00 or \$20.00 for a Physician's visit. Co-payments are also used for some Hospital outpatient services in Medicare.

COST SHARING: This amount can include Co-payments, Coinsurance, and/or deductibles.

CREDITABLE COVERAGE: With respect to an individual, creditable coverage is coverage of the individual provided under any of the following:

- (1) A group health plan;
- (2) Health insurance coverage;
- (3) Part A or Part B of Title XVIII of the Social Security Act (Medicare);
- (4) Title XIX of the Social Security Act (Medicaid), other than coverage consisting solely of benefits under section 1928;
- (5) Chapter 55 of Title 10 United States Code (TRICARE);
- (6) A medical care program of the Indian Health Service or of a tribal organization;
- (7) A state health benefits risk pool;
- (8) A health plan offered under chapter 89 of Title 5 United States Code (Federal Employees Health Benefits Program);
- (9) A public health plan as defined in federal regulation; and
- (10) A health benefit plan under Section 5(e) of the Peace Corps Act (22 United States Code 2504(e)).

CONTINUOUS PERIOD OF CREDITABLE COVERAGE: The period during which You were covered by Creditable Coverage, if during the period of coverage You had no breaks in coverage greater than sixty-three (63) days.

GUARANTEED RENEWABLE: A right You have that requires Us to automatically renew or continue Your Medicare Supplement policy, unless You make untrue statements to Us, commit fraud or do not pay Your premiums.

HOSPICE: A coordinated, interdisciplinary program for meeting the special physical, emotional, social, and spiritual needs of dying individuals, by providing palliative and supportive services during the illness to individuals who have no reasonable prospect of cure and, as estimated by a Physician, have a life expectancy of six (6) months or less.

HOSPITAL: An institution operating under the laws of the state where it is located. It provides medical, diagnostic or surgical services, either on its premises or in facilities available to the hospital on a contractual, prearranged basis, for the care and treatment of sick or injured persons. Such treatment is rendered on the advice and under the supervision of a staff of one or more duly licensed Physicians. It provides 24-hour nursing service by or under the supervision of registered, graduate, professional Nurses (R.N.'s).

INJURY: Accidental bodily injury sustained by You which is the direct result of an accident, independent of disease or bodily infirmity or any other cause, and that occurs while this policy is in force.

MEDICARE: Title I, Part I of Public Law 89-97, as enacted by the Eighty-Ninth (89th) Congress of the United States of America and popularly known as the Health Insurance for the Aged Act, as then constituted and any later amendments or substitutes thereof.

- (1) Hospital coverage is known as Part A. Medicare will determine the expenses that qualify for Medicare benefits. These expenses are known as Medicare Eligible Expenses.
- (2) Medical-Surgical coverage is known as Part B or Voluntary Coverage. You must indicate when You enroll for Social Security benefits if You want this coverage. There is a monthly charge for it. The amount is deducted from Your Social Security monthly check. Medicare will determine the expenses that qualify for Medicare benefits. These expenses are known as Medicare Eligible Expenses. Of the Eligible Expenses, Medicare will then determine the amount that is approved for payment.

MEDICARE ELIGIBLE EXPENSES: Expenses of the kind covered by Medicare Parts A and B, to the extent recognized as reasonable and medically necessary by Medicare.

NURSE: A registered, graduate, professional Nurse (R.N.), licensed practical Nurse (L.P.N.), or licensed vocational Nurse (L.V.N.).

PART A MEDICARE DEDUCTIBLE: The initial amount of Hospital expense You incur in each Benefit Period as a resident bed patient under Part A of Medicare. Medicare sets the amount of this deductible. This amount is not paid by Medicare.

PART B MEDICARE CALENDAR YEAR DEDUCTIBLE: The amount You must pay each calendar year before benefits can be paid under Part B of Medicare. Medicare sets the amount of the deductible. This amount is not paid by Medicare. A calendar year begins on January 1st and ends on December 31st.

PHYSICIAN: A legally qualified and licensed practitioner of the healing arts who is practicing within the scope of his authority.

PREEXISTING CONDITION: A condition for which medical advice was given or treatment was recommended by or received from a Physician within six (6) months prior to the policy effective date.

RESPIRE CARE: Care given to allow Your caregiver to rest. You can stay in a Medicare-approved Hospital or nursing home up to five days for each time the respite care is elected.

SICKNESS: An illness or disease incurred by You which first manifests itself after the effective date and while this policy is in force.

PART 2: BENEFITS PROVIDED BY THIS POLICY

EFFECTIVE DATE FOR BENEFITS: The effective date of Your policy is shown on the Policy Schedule Page located on Page 3. We will pay benefits provided by this policy for Injury or Sickness that happens to You after the effective date if Your policy is in force at that time.

BASIC CORE BENEFITS

When You Receive Services For Medicare Eligible Expenses, We Will Pay Basic Core Benefits As Follows:

Inpatient Hospital Confinement Benefits (Medicare Part A)

Coinsurance Benefit: Coverage of Part A Medicare Eligible Expenses for hospitalization to the extent not covered by Medicare from the 61st day through the 90th day in any Medicare Benefit Period.

Lifetime Reserve Days Benefit: Coverage of Part A Medicare Eligible Expenses incurred for hospitalization to the extent not covered by Medicare for each Medicare lifetime inpatient reserve day used.

Medicare Exhaustion Benefit: Upon exhaustion of the Medicare Hospital inpatient coverage including the lifetime reserve days, coverage of one-hundred percent (100%) of the Medicare Part A Eligible Expenses for hospitalization paid at the applicable prospective payment system (PPS) rate, or other appropriate Medicare standard of payment, subject to a lifetime maximum benefit of an additional 365 days (the provider shall accept Our payment in full and may not bill You for any balance).

Blood Benefit (Medicare Part A or Part B)

Coverage under Medicare Parts A and B for the reasonable cost of the first three (3) pints of blood (or equivalent quantities of packed red blood cells, as defined under federal regulations) unless replaced in accordance with federal regulations.

Medicare Part B Coinsurance Benefit

Coverage for the Coinsurance amount, (or in the case of Hospital outpatient department services paid under a prospective payment system, the Co-payment amount) of Medicare Eligible Expenses under Part B regardless of Hospital confinement, subject to the Medicare Part B Deductible.

Hospice Care

Coverage of Cost Sharing for all Part A Medicare eligible Hospice care and inpatient Respite Care expenses.

PART 3: EXCLUSIONS AND LIMITATIONS

The benefits of this policy will not duplicate any benefits paid by Medicare. The combined benefits of this policy and the benefits paid by Medicare may not exceed one-hundred percent (100%) of the Medicare Eligible Expenses incurred. This policy will not pay benefits for the following:

- (1) The Medicare Part B Deductible;
- (2) Any expense which You are not legally obligated to pay; or services for which no charge is normally made in the absence of insurance;
- (3) Any services that are not medically necessary as determined by Medicare;
- (4) Any portion of any expense for which payment is made by Medicare or other government programs (except Medicaid); or for which payment would have been made by Medicare if You were enrolled in Parts A and B of Medicare;
- (5) Any type of expense not a Medicare Eligible Expense except as provided previously in this policy;
- (6) Any deductible, Coinsurance or Co-payment not covered by Medicare, unless such coverage is listed as an additional benefit in this policy;
- (7) Confinement that begins or expenses incurred while Your policy is not in force; or
- (8) Preexisting Conditions: No claim for loss incurred after six (6) months from the effective date of Your coverage will be reduced or denied on the ground that a disease or physical condition had existed within six (6) months prior to the policy effective date.

We will not pay for any expenses incurred for care or treatment of a Preexisting Condition for the first six (6) months from the effective date of coverage. This exclusion does not apply if You applied for and were issued this policy under guaranteed issue status; if on the date of application for this policy You had at least six (6) months of prior Creditable Coverage; or, if this policy is replacing another Medicare Supplement policy and a six (6) month waiting period has already been satisfied. Evidence of prior coverage or replacement must have been disclosed on the application for this policy.

If You had less than six (6) months prior Creditable Coverage, the Preexisting Conditions limitation will be reduced by the aggregate amount of Creditable Coverage. If this policy is replacing another Medicare Supplement policy, credit will be given for any portion of the waiting period that has been satisfied.

PART 4: MEDICARE BENEFIT CHANGES

The benefits provided by this Medicare Supplement policy are designed to cover Cost Sharing amounts under Medicare and will be changed automatically to coincide with any changes in the applicable Medicare deductible, Co-payment, or Coinsurance amounts. Premiums may be modified to correspond with such changes as specified in the Right to Adjust Future Premiums provision as stated in Part 5.

PART 5: RENEWABILITY

You may renew this policy for life by paying the premium when it becomes due. We may not cancel this policy before the expiration of the grace period. If the premium due is not paid during the grace period, the policy will terminate coverage at the end of the period for which premiums were paid.

Right to Adjust Future Premiums: The premium shown on the Policy Schedule Page may change on the premium due date following the date:

- (1) We change the rates which apply to all policies of this form issued by Us and in force in Your state;
- (2) Coverage under Medicare changes; or
- (3) You move to a different ZIP Code location.

We will send You a written notice at least thirty (30) days in advance when We change the premium rates for all policies of this form issued by Us and in force in Your state.

PART 6: ELIGIBILITY

INSURED is the person named on the Policy Schedule Page, located on Page 3, until death or termination of coverage.

PART 7: PREMIUM PAYMENTS AND REINSTATEMENT

Initial: This policy is issued based on the application, Our underwriting requirements and payment of the initial premium. The policy begins on the effective date shown on the Policy Schedule Page. All periods of insurance will begin and end at 12:01 a.m., at the place where You live.

Renewal: All renewal premiums must be paid in consecutive terms. They shall be paid by modes currently offered by Us. Renewal premiums are payable to Us. Premiums must be paid on or before the date due or before the end of the grace period. If this policy should lapse, the payment of a premium will reinstate this policy only as provided in the reinstatement provision in this section.

Grace Period: A grace period of thirty-one (31) days will be granted for the payment of each premium, falling due after the first premium. This policy will continue in force during the grace period. If the premium due is not paid during the grace period, the policy will terminate coverage at the end of the period for which premiums were paid.

Lapse and Reinstatement: If the renewal premium is not paid within the grace period, this policy will lapse on the first premium due date for which premium was not paid. If the policy lapses, Our acceptance of a premium payment without requiring an application for reinstatement will reinstate this policy. Any premium accepted in connection with a reinstatement will be applied to a period for which premium has not been previously paid, but not to any period more than sixty (60) days prior to the date of reinstatement.

If We require an application for reinstatement and issue a conditional receipt, this policy will be reinstated upon Our approval of the reinstatement application. If We do not notify You in writing of Our prior approval or disapproval, this policy will automatically be reinstated on the forty-fifth (45th) day following the date of the conditional receipt.

The reinstated policy will cover loss resulting from Injury or Sickness sustained after the date of reinstatement. In all other respects, Your rights and Ours will remain the same, subject to any restrictions attached in connection with the reinstatement.

PART 8: SUSPENSION OF COVERAGE BY YOU

Suspension Available During Medicaid Entitlement

- (1) Benefits and premiums under this policy will be suspended at Your request for the period in which You apply for and are determined to be entitled to medical assistance under Medicaid, but only if You notify Us within ninety (90) days after the date You become entitled to the Medicaid assistance. This suspension of coverage can last for up to twenty-four (24) months while Your Medicaid entitlement continues.
- (2) If suspension occurs and You lose entitlement to Medicaid, this policy will be automatically reinstituted (effective as of the date of termination of Medicaid entitlement) as long as You notify Us of the loss of entitlement within ninety (90) days after the date of loss and pay the premium applicable to the period, effective as of the date of termination of Medicaid entitlement.

Reinstitution of coverages as described in subparagraph (2).

- (a) Shall not provide for any waiting period with respect to treatment of preexisting conditions;
- (b) Shall provide for resumption of coverage which is substantially equivalent to coverage in effect before the date of such suspension; and,
- (c) Shall charge a premium at least as favorable as the premium that would have applied to You had the coverage not been suspended.

Suspension Available While Covered Under a Group Health Plan

Benefits and premiums under this policy will be suspended (for any period that may be provided by federal regulation) at Your request if You are entitled to benefits under section 226(b) of the Social Security Act and are covered under a group health plan (as defined in section 1862(b)(1)(A)(v) of the Social Security Act). If suspension occurs and You lose coverage under the group health plan, this policy will be automatically reinstituted (effective as of the date of loss of coverage) if You notify Us of the loss of coverage within ninety (90) days after the date of loss of the group health plan and pay the premium applicable to this policy period, effective as of the date of termination of enrollment in the group health plan.

Reinstitution of coverages:

- (a) Shall not provide for any waiting period with respect to treatment of preexisting conditions;
- (b) Shall provide for resumption of coverage which is substantially equivalent to coverage in effect before the date of such suspension; and,
- (c) Shall charge a premium at least as favorable as the premium that would have applied to You had the coverage not been suspended.

PART 9: HOW TO FILE A CLAIM

Notice of Claim: Written notice of a claim must be given to Us within ninety (90) days after the occurrence or commencement of any loss covered by this policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of You to Us, with information sufficient to identify You, will be notice to Us.

Claim Forms: When We receive notice of claim, if additional information is required, We will send You forms for filing proof of loss. If We fail to provide these forms within fifteen (15) days after receipt of notice of claim, We agree You will have met the requirements for filing proof of loss, within the time allowed.

Proof of Loss: Written proof of loss must be furnished to Us within ninety (90) days after the date of loss. Failure to provide written proof will not invalidate nor reduce any claim if it was not reasonably possible to send such proof within the time allowed, provided such proof is furnished as soon as reasonably possible. In no event, except in the absence of legal capacity, will any claim be accepted later than one (1) year from the time proof is otherwise required.

Time of Payment of Claims: All benefits payable under this policy will be payable immediately upon Our receipt of due written proof of loss.

Extension of Benefits: Termination of this policy will be without prejudice to any continuous loss which commenced while the policy was in force, coverage for such loss will continue beyond the date insurance ends. This extension of coverage is subject to Your continuous total disability and limited to the duration of the Medicare Benefit Period or, if none is applicable, payment of the maximum benefits. Receipt of Medicare Part D benefits shall not be considered in determining a continuous loss.

Payment of Claims: All benefits payable under this policy will be payable to You during Your lifetime, unless a valid written assignment by You to pay the medical provider is included with the claim.

Unless We receive prior written instructions from You to the contrary, any health care benefits unpaid at Your death will be paid to Your estate. If benefits are payable to Your estate, We may pay benefits up to \$1,000 to someone related to You by blood or marriage whom We consider to be entitled to the benefits. We will be discharged to the extent of any such payment made in good faith.

PART 10: GENERAL INFORMATION

The provisions of the policy set out Your rights and obligations as a policyowner and Our rights and obligations as Your insurance company.

Entire Contract; Changes: This policy, including the application, the endorsements and the attached papers, if any, constitutes the entire contract of insurance. No claim for loss incurred or disability that starts after six (6) months from the issue date will be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss had existed prior to the effective date of coverage of this policy.

Physical Examinations: We, at Our own expense, have the right to have You, whose loss is the basis of a claim under this policy, examined when and as often as We may reasonably require while the claim is pending.

PART 1: BASIC INFORMATION ABOUT THIS POLICY AND MEDICARE

Some words and phrases in this policy may be new to You. We want You to understand them. The words and phrases that follow are those used in administering Medicare Supplemental benefits. These words are capitalized wherever they appear in the policy. Where used in this policy, the following words and phrases mean:

DEFINITIONS

BENEFIT PERIOD: A benefit period begins the first day You are confined in a Hospital. The benefit period ends when You have not received any inpatient Hospital care for sixty (60) days in a row. If You go into a Hospital after one benefit period has ended, a new benefit period begins. You must pay the inpatient Hospital deductible or a portion thereof for each benefit period, unless such coverage is listed as an additional benefit in this policy.

CARE IN A SKILLED NURSING FACILITY: This refers to inpatient skilled nursing care and treatment You need after You are released from the Hospital and sent home. Part A of Medicare will provide such coverage. The Skilled Nursing Facility confinement must:

- (1) Be preceded by a Hospital stay of at least three (3) days;
- (2) Begin within thirty (30) days of discharge from the Hospital; and
- (3) The patient's care in the Skilled Nursing Facility must be for the same condition that was treated in the Hospital.

COINSURANCE: The percent of the Medicare approved amount that You have to pay after You pay the deductible for Part A and or Part B. In the Medicare Plan, the coinsurance payment is a percentage of the cost of the service.

CO-PAYMENTS: The amount You pay for each medical service, like a Physician's visit. A co-payment is usually a set amount You pay. For example, this could be \$10.00 or \$20.00 for a Physician's visit. Co-payments are also used for some Hospital outpatient services in Medicare.

COST SHARING: This amount can include Co-payments, Coinsurance, and/or deductibles.

CREDITABLE COVERAGE: With respect to an individual, creditable coverage is coverage of the individual provided under any of the following:

- (1) A group health plan;
- (2) Health insurance coverage;
- (3) Part A or Part B of Title XVIII of the Social Security Act (Medicare);
- (4) Title XIX of the Social Security Act (Medicaid), other than coverage consisting solely of benefits under section 1928;
- (5) Chapter 55 of Title 10 United States Code (TRICARE);
- (6) A medical care program of the Indian Health Service or of a tribal organization;
- (7) A state health benefits risk pool;
- (8) A health plan offered under chapter 89 of Title 5 United States Code (Federal Employees Health Benefits Program);
- (9) A public health plan as defined in federal regulation; and
- (10) A health benefit plan under Section 5(e) of the Peace Corps Act (22 United States Code 2504(e))

CONTINUOUS PERIOD OF CREDITABLE COVERAGE: The period during which You were covered by Creditable Coverage, if during the period of coverage You had no breaks in coverage greater than sixty-three (63) days.

EMERGENCY CARE: Care needed immediately because of an injury or an illness of sudden and unexpected onset.

EXCESS CHARGES: If you are in Original Medicare, this is the difference between a Physician's or other health care provider's actual charge (which may be limited by Medicare or the state) and the Medicare approved payment amount.

GUARANTEED RENEWABLE: A right You have that requires Us to automatically renew or continue Your Medicare Supplement policy, unless You make untrue statements to Us, commit fraud or do not pay Your premiums.

HOSPICE: A coordinated, interdisciplinary program for meeting the special physical, emotional, social, and spiritual needs of dying individuals, by providing palliative and supportive services during the illness to individuals who have no reasonable prospect of cure and, as estimated by a Physician, have a life expectancy of six (6) months or less.

HOSPITAL: An institution operating under the laws of the state where it is located. It provides medical, diagnostic or surgical services, either on its premises or in facilities available to the hospital on a contractual, prearranged basis, for the care and treatment of sick or injured persons. Such treatment is rendered on the advice and under the supervision of a staff of one or more duly licensed Physicians. It provides 24-hour nursing service by or under the supervision of registered, graduate, professional Nurses (R.N.'s).

INJURY: Accidental bodily injury sustained by You which is the direct result of an accident, independent of disease or bodily infirmity or any other cause, and that occurs while this policy is in force.

MEDICARE: Title I, Part I of Public Law 89-97, as enacted by the Eighty-Ninth (89th) Congress of the United States of America and popularly known as the Health Insurance for the Aged Act, as then constituted and any later amendments or substitutes thereof.

- (1) Hospital coverage is known as Part A. Medicare will determine the expenses that qualify for Medicare benefits. These expenses are known as Medicare Eligible Expenses.
- (2) Medical-Surgical coverage is known as Part B or Voluntary Coverage. You must indicate when You enroll for Social Security benefits if You want this coverage. There is a monthly charge for it. The amount is deducted from Your Social Security monthly check. Medicare will determine the expenses that qualify for Medicare benefits. These expenses are known as Medicare Eligible Expenses. Of the Eligible Expenses, Medicare will then determine the amount that is approved for payment.

MEDICARE ELIGIBLE EXPENSES: Expenses of the kind covered by Medicare Parts A and B, to the extent recognized as reasonable and medically necessary by Medicare.

NURSE: A registered, graduate, professional Nurse (R.N.), licensed practical Nurse (L.P.N.), or licensed vocational Nurse (L.V.N.).

PART A MEDICARE DEDUCTIBLE: The initial amount of Hospital expense You incur in each Benefit Period as a resident bed patient under Part A of Medicare. Medicare sets the amount of this deductible. This amount is not paid by Medicare.

PART B MEDICARE CALENDAR YEAR DEDUCTIBLE: The amount You must pay each calendar year before benefits can be paid under Part B of Medicare. Medicare sets the amount of the deductible. This amount is not paid by Medicare. A calendar year begins on January 1st and ends on December 31st.

PHYSICIAN: A legally qualified and licensed practitioner of the healing arts who is practicing within the scope of his authority.

PREEXISTING CONDITION: A condition for which medical advice was given or treatment was recommended by or received from a Physician within six (6) months prior to the policy effective date.

RESPITE CARE: Care given to allow Your caregiver to rest. You can stay in a Medicare-approved Hospital or nursing home up to five days for each time the respite care is elected.

SICKNESS: An illness or disease incurred by You which first manifests itself after the effective date and while this policy is in force.

SKILLED NURSING FACILITY: An institution licensed under the laws of the state where it is located. It is a facility that is certified by Medicare or is qualified to receive such approval, if requested. This definition shall include the various levels of skilled care facilities of the state where located. This definition shall NOT include intermediate or custodial care facilities.

PART 3: EXCLUSIONS AND LIMITATIONS

The benefits of this policy will not duplicate any benefits paid by Medicare. The combined benefits of this policy and the benefits paid by Medicare may not exceed one-hundred percent (100%) of the Medicare Eligible Expenses incurred. This policy will not pay benefits for the following:

- (1) Any expense which You are not legally obligated to pay; or services for which no charge is normally made in the absence of insurance;
- (2) Any services that are not medically necessary as determined by Medicare;
- (3) Any portion of any expense for which payment is made by Medicare or other government programs (except Medicaid); or for which payment would have been made by Medicare if You were enrolled in Parts A and B of Medicare;

- (4) Any type of expense not a Medicare Eligible Expense except as provided previously in this policy;
- (5) Any deductible, Coinsurance or Co-payment not covered by Medicare, unless such coverage is listed as an additional benefit in this policy;
- (6) Confinement that begins or expenses incurred while Your policy is not in force; or
- (7) Preexisting Conditions: No claim for loss incurred after six (6) months from the effective date of Your coverage will be reduced or denied on the ground that a disease or physical condition had existed within six (6) months prior to the policy effective date.

We will not pay for any expenses incurred for care or treatment of a Preexisting Condition for the first six (6) months from the effective date of coverage. This exclusion does not apply if You applied for and were issued this policy under guaranteed issue status; if on the date of application for this policy You had at least six (6) months of prior Creditable Coverage; or, if this policy is replacing another Medicare Supplement policy and a six (6) month waiting period has already been satisfied. Evidence of prior coverage or replacement must have been disclosed on the application for this policy.

If You had less than six (6) months prior Creditable Coverage, the Preexisting Conditions limitation will be reduced by the aggregate amount of Creditable Coverage. If this policy is replacing another Medicare Supplement policy, credit will be given for any portion of the waiting period that has been satisfied.

PART 4: MEDICARE BENEFIT CHANGES

The benefits provided by this Medicare Supplement policy are designed to cover Cost Sharing amounts under Medicare and will be changed automatically to coincide with any changes in the applicable Medicare deductible, Co-payment, or Coinsurance amounts. Premiums may be modified to correspond with such changes as specified in the Right to Adjust Future Premiums provision as stated in Part 5.

PART 5: RENEWABILITY

You may renew this policy for life by paying the premium when it becomes due. We may not cancel this policy before the expiration of the grace period. If the premium due is not paid during the grace period, the policy will terminate coverage at the end of the period for which premiums were paid.

Right to Adjust Future Premiums: The premium shown on the Policy Schedule Page may change on the premium due date following the date:

- (1) We change the rates which apply to all policies of this form issued by Us and in force in Your state;
- (2) Coverage under Medicare changes; or
- (3) You move to a different ZIP Code location.

We will send You a written notice at least thirty (30) days in advance when We change the premium rates for all policies of this form issued by Us and in force in Your state.

PART 6: ELIGIBILITY

INSURED is the person named on the Policy Schedule Page, located on Page 3, until death or termination of coverage.

PART 7: PREMIUM PAYMENTS AND REINSTATEMENT

Initial: This policy is issued based on the application, Our underwriting requirements and payment of the initial premium. The policy begins on the effective date shown on the Policy Schedule Page. All periods of insurance will begin and end at 12:01 a.m., at the place where You live.

Renewal: All renewal premiums must be paid in consecutive terms. They shall be paid by modes currently offered by Us. Renewal premiums are payable to Us. Premiums must be paid on or before the date due or before the end of the grace period. If this policy should lapse, the payment of a premium will reinstate this policy only as provided in the reinstatement provision in this section.

Grace Period: A grace period of thirty-one (31) days will be granted for the payment of each premium, falling due after the first premium. This policy will continue in force during the grace period. If the premium due is not paid during the grace period, the policy will terminate coverage at the end of the period for which premiums were paid.

Lapse and Reinstatement: If the renewal premium is not paid within the grace period, this policy will lapse on the first premium due date for which premium was not paid. If the policy lapses, Our acceptance of a premium payment without requiring an application for reinstatement will reinstate this policy. Any premium accepted in connection with a reinstatement will be applied to a period for which premium has not been previously paid, but not to any period more than sixty (60) days prior to the date of reinstatement.

If We require an application for reinstatement and issue a conditional receipt, this policy will be reinstated upon Our approval of the reinstatement application. If We do not notify You in writing of Our prior approval or disapproval, this policy will automatically be reinstated on the forty-fifth (45th) day following the date of the conditional receipt.

The reinstated policy will cover loss resulting from Injury or Sickness sustained after the date of reinstatement. In all other respects, Your rights and Ours will remain the same, subject to any restrictions attached in connection with the reinstatement.

PART 8: SUSPENSION OF COVERAGE BY YOU

Suspension Available During Medicaid Entitlement

- (1) Benefits and premiums under this policy will be suspended at Your request for the period in which You apply for and are determined to be entitled to medical assistance under Medicaid, but only if You notify Us within ninety (90) days after the date You become entitled to the Medicaid assistance. This suspension of coverage can last for up to twenty-four (24) months while Your Medicaid entitlement continues.
- (2) If suspension occurs and You lose entitlement to Medicaid, this policy will be automatically reinstituted (effective as of the date of termination of Medicaid entitlement) as long as You notify Us of the loss of entitlement within ninety (90) days after the date of loss and pay the premium applicable to the period, effective as of the date of termination of Medicaid entitlement.

Reinstitution of coverages as described in subparagraph (2).

- (a) Shall not provide for any waiting period with respect to treatment of preexisting conditions;

- (b) Shall provide for resumption of coverage which is substantially equivalent to coverage in effect before the date of such suspension; and,
- (c) Shall charge a premium at least as favorable as the premium that would have applied to You had the coverage not been suspended.

Suspension Available While Covered Under a Group Health Plan

Benefits and premiums under this policy will be suspended (for any period that may be provided by federal regulation) at Your request if You are entitled to benefits under section 226(b) of the Social Security Act and are covered under a group health plan (as defined in section 1862(b)(1)(A)(v) of the Social Security Act). If suspension occurs and You lose coverage under the group health plan, this policy will be automatically reinstituted (effective as of the date of loss of coverage) if You notify Us of the loss of coverage within ninety (90) days after the date of loss of the group health plan and pay the premium applicable to this policy period, effective as of the date of termination of enrollment in the group health plan.

Reinstitution of coverages:

- (a) Shall not provide for any waiting period with respect to treatment of preexisting conditions;
- (b) Shall provide for resumption of coverage which is substantially equivalent to coverage in effect before the date of such suspension; and,
- (c) Shall charge a premium at least as favorable as the premium that would have applied to You had the coverage not been suspended.

PART 9: HOW TO FILE A CLAIM

Notice of Claim: Written notice of a claim must be given to Us within ninety (90) days after the occurrence or commencement of any loss covered by this policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of You to Us, with information sufficient to identify You, will be notice to Us.

PART 1: BASIC INFORMATION ABOUT THIS POLICY AND MEDICARE

Some words and phrases in this policy may be new to You. We want You to understand them. The words and phrases that follow are those used in administering Medicare Supplemental benefits. These words are capitalized wherever they appear in the policy. Where used in this policy, the following words and phrases mean:

DEFINITIONS

BENEFIT PERIOD: A benefit period begins the first day You are confined in a Hospital. The benefit period ends when You have not received any inpatient Hospital care for sixty (60) days in a row. If You go into a Hospital after one benefit period has ended, a new benefit period begins. You must pay the inpatient Hospital deductible or a portion thereof for each benefit period, unless such coverage is listed as an additional benefit in this policy.

CARE IN A SKILLED NURSING FACILITY: This refers to inpatient skilled nursing care and treatment You need after You are released from the Hospital and sent home. Part A of Medicare will provide such coverage. The Skilled Nursing Facility confinement must:

- (1) Be preceded by a Hospital stay of at least three (3) days;
- (2) Begin within thirty (30) days of discharge from the Hospital; and
- (3) The patient's care in the Skilled Nursing Facility must be for the same condition that was treated in the Hospital.

COINSURANCE: The percent of the Medicare approved amount that You have to pay after You pay the deductible for Part A and or Part B. In the Medicare Plan, the coinsurance payment is a percentage of the cost of the service.

CO-PAYMENTS: The amount You pay for each medical service, like a Physician's visit. A co-payment is usually a set amount You pay. For example, this could be \$10.00 or \$20.00 for a Physician's visit. Co-payments are also used for some Hospital outpatient services in Medicare.

COST SHARING: This amount can include Co-payments, Coinsurance, and/or deductibles.

CREDITABLE COVERAGE: With respect to an individual, creditable coverage is coverage of the individual provided under any of the following:

- (1) A group health plan;
- (2) Health insurance coverage;
- (3) Part A or Part B of Title XVIII of the Social Security Act (Medicare);
- (4) Title XIX of the Social Security Act (Medicaid), other than coverage consisting solely of benefits under section 1928;
- (5) Chapter 55 of Title 10 United States Code (TRICARE);
- (6) A medical care program of the Indian Health Service or of a tribal organization;
- (7) A state health benefits risk pool;
- (8) A health plan offered under chapter 89 of Title 5 United States Code (Federal Employees Health Benefits Program);
- (9) A public health plan as defined in federal regulation; and

- (10) A health benefit plan under Section 5(e) of the Peace Corps Act (22 United States Code 2504(e)).

CONTINUOUS PERIOD OF CREDITABLE COVERAGE: The period during which You were covered by Creditable Coverage, if during the period of coverage You had no breaks in coverage greater than sixty-three (63) days.

EMERGENCY CARE: Care needed immediately because of an Injury or an illness of sudden and unexpected onset.

EXCESS CHARGES: If you are in Original Medicare, this is the difference between a Physician's or other health care provider's actual charge (which may be limited by Medicare or the state) and the Medicare approved payment amount.

GUARANTEED RENEWABLE: A right You have that requires Us to automatically renew or continue Your Medicare Supplement policy, unless You make untrue statements to Us, commit fraud or do not pay Your premiums.

HOSPICE: A coordinated, interdisciplinary program for meeting the special physical, emotional, social, and spiritual needs of dying individuals, by providing palliative and supportive services during the illness to individuals who have no reasonable prospect of cure and, as estimated by a Physician, have a life expectancy of six (6) months or less.

HOSPITAL: An institution operating under the laws of the state where it is located. It provides medical, diagnostic or surgical services, either on its premises or in facilities available to the hospital on a contractual, prearranged basis, for the care and treatment of sick or injured persons. Such treatment is rendered on the advice and under the supervision of a staff of one or more duly licensed Physicians. It provides 24-hour nursing service by or under the supervision of registered, graduate, professional Nurses (R.N.'s).

INJURY: Accidental bodily injury sustained by You which is the direct result of an accident, independent of disease or bodily infirmity or any other cause, and that occurs while this policy is in force.

MEDICARE: Title I, Part I of Public Law 89-97, as enacted by the Eighty-Ninth (89th) Congress of the United States of America and popularly known as the Health Insurance for the Aged Act, as then constituted and any later amendments or substitutes thereof.

- (1) Hospital coverage is known as Part A. Medicare will determine the expenses that qualify for Medicare benefits. These expenses are known as Medicare Eligible Expenses.
- (2) Medical-Surgical coverage is known as Part B or Voluntary Coverage. You must indicate when You enroll for Social Security benefits if You want this coverage. There is a monthly charge for it. The amount is deducted from Your Social Security monthly check. Medicare will determine the expenses that qualify for Medicare benefits. These expenses are known as Medicare Eligible Expenses. Of the Eligible Expenses, Medicare will then determine the amount that is approved for payment.

MEDICARE ELIGIBLE EXPENSES: Expenses of the kind covered by Medicare Parts A and B, to the extent recognized as reasonable and medically necessary by Medicare.

NURSE: A registered, graduate, professional Nurse (R.N.), licensed practical Nurse (L.P.N.), or licensed vocational Nurse (L.V.N.).

PART A MEDICARE DEDUCTIBLE: The initial amount of Hospital expense You incur in each Benefit Period as a resident bed patient under Part A of Medicare. Medicare sets the amount of this deductible. This amount is not paid by Medicare.

PART B MEDICARE CALENDAR YEAR DEDUCTIBLE: The amount You must pay each calendar year before benefits can be paid under Part B of Medicare. Medicare sets the amount of the deductible. This amount is not paid by Medicare. A calendar year begins on January 1st and ends on December 31st.

PHYSICIAN: A legally qualified and licensed practitioner of the healing arts who is practicing within the scope of his authority.

PREEXISTING CONDITION: A condition for which medical advice was given or treatment was recommended by or received from a Physician within six (6) months prior to the policy effective date.

RESPITE CARE: Care given to allow Your caregiver to rest. You can stay in a Medicare-approved Hospital or nursing home up to five days for each time the respite care is elected.

SICKNESS: An illness or disease incurred by You which first manifests itself after the effective date and while this policy is in force.

SKILLED NURSING FACILITY: An institution licensed under the laws of the state where it is located. It is a facility that is certified by Medicare or is qualified to receive such approval, if requested. This definition shall include the various levels of skilled care facilities of the state where located. This definition shall NOT include intermediate or custodial care facilities.

The benefits of this policy will not duplicate any benefits paid by Medicare. The combined benefits of this policy and the benefits paid by Medicare may not exceed one-hundred percent (100%) of the Medicare Eligible Expenses incurred. This policy will not pay benefits for the following:

- (1) The Medicare Part B Deductible;

- (4) Any portion of any expense for which payment is made by Medicare or other government programs (except Medicaid); or for which payment would have been made by Medicare if You were enrolled in Parts A and B of Medicare;
- (5) Any type of expense not a Medicare Eligible Expense except as provided previously in this policy;

- (6) Any deductible, Coinsurance or Co-payment not covered by Medicare, unless such coverage is listed as an additional benefit in this policy;
- (7) Confinement that begins or expenses incurred while Your policy is not in force; or
- (8) Preexisting Conditions: No claim for loss incurred after six (6) months from the effective date of Your coverage will be reduced or denied on the ground that a disease or physical condition had existed within six (6) months prior to the policy effective date.

We will not pay for any expenses incurred for care or treatment of a Preexisting Condition for the first six (6) months from the effective date of coverage. This exclusion does not apply if You applied for and were issued this policy under guaranteed issue status; if on the date of application for this policy You had at least six (6) months of prior Creditable Coverage; or, if this policy is replacing another Medicare Supplement policy and a six (6) month waiting period has already been satisfied. Evidence of prior coverage or replacement must have been disclosed on the application for this policy.

If You had less than six (6) months prior Creditable Coverage, the Preexisting Conditions limitation will be reduced by the aggregate amount of Creditable Coverage. If this policy is replacing another Medicare Supplement policy, credit will be given for any portion of the waiting period that has been satisfied.

PART 4: MEDICARE BENEFIT CHANGES

The benefits provided by this Medicare Supplement policy are designed to cover Cost Sharing amounts under Medicare and will be changed automatically to coincide with any changes in the applicable Medicare deductible, Co-payment, or Coinsurance amounts. Premiums may be modified to correspond with such changes as specified in the Right to Adjust Future Premiums provision as stated in Part 5.

PART 5: RENEWABILITY

You may renew this policy for life by paying the premium when it becomes due. We may not cancel this policy before the expiration of the grace period. If the premium due is not paid during the grace period, the policy will terminate coverage at the end of the period for which premiums were paid.

Right to Adjust Future Premiums: The premium shown on the Policy Schedule Page may change on the premium due date following the date:

- (1) We change the rates which apply to all policies of this form issued by Us and in force in Your state;
- (2) Coverage under Medicare changes; or
- (3) You move to a different ZIP Code location.

We will send You a written notice at least thirty (30) days in advance when We change the premium rates for all policies of this form issued by Us and in force in Your state.

Renewal: All renewal premiums must be paid in consecutive terms. They shall be paid by modes currently offered by Us. Renewal premiums are payable to Us. Premiums must be paid on or before the date due or before the end of the grace period. If this policy should lapse, the payment of a premium will reinstate this policy only as provided in the reinstatement provision in this section.

Grace Period: A grace period of thirty-one (31) days will be granted for the payment of each premium, falling due after the first premium. This policy will continue in force during the grace period. If the premium due is not paid during the grace period, the policy will terminate coverage at the end of the period for which premiums were paid.

Lapse and Reinstatement: If the renewal premium is not paid within the grace period, this policy will lapse on the first premium due date for which premium was not paid. If the policy lapses, Our acceptance of a premium payment without requiring an application for reinstatement will reinstate this policy. Any premium accepted in connection with a reinstatement will be applied to a period for which premium has not been previously paid, but not to any period more than sixty (60) days prior to the date of reinstatement.

If We require an application for reinstatement and issue a conditional receipt, this policy will be reinstated upon Our approval of the reinstatement application. If We do not notify You in writing of Our prior approval or disapproval, this policy will automatically be reinstated on the forty-fifth (45th) day following the date of the conditional receipt.

The reinstated policy will cover loss resulting from Injury or Sickness sustained after the date of reinstatement. In all other respects, Your rights and Ours will remain the same, subject to any restrictions attached in connection with the reinstatement.

PART 8: SUSPENSION OF COVERAGE BY YOU

Suspension Available During Medicaid Entitlement

- (1) Benefits and premiums under this policy will be suspended at Your request for the period in which You apply for and are determined to be entitled to medical assistance under Medicaid, but only if You notify Us within ninety (90) days after the date You become entitled to the Medicaid assistance. This suspension of coverage can last for up to twenty-four (24) months while Your Medicaid entitlement continues.
- (2) If suspension occurs and You lose entitlement to Medicaid, this policy will be automatically reinstituted (effective as of the date of termination of Medicaid entitlement) as long as You notify Us of the loss of entitlement within ninety (90) days after the date of loss and pay the premium applicable to the period, effective as of the date of termination of Medicaid entitlement.

Reinstitution of coverages as described in subparagraph (2).

- (a) Shall not provide for any waiting period with respect to treatment of preexisting conditions;

- (b) Shall provide for resumption of coverage which is substantially equivalent to coverage in effect before the date of such suspension; and,

PART 1: BASIC INFORMATION ABOUT THIS POLICY AND MEDICARE

Some words and phrases in this policy may be new to You. We want You to understand them. The words and phrases that follow are those used in administering Medicare Supplemental benefits. These words are capitalized wherever they appear in the policy. Where used in this policy, the following words and phrases mean:

DEFINITIONS

BENEFIT PERIOD: A benefit period begins the first day You are confined in a Hospital. The benefit period ends when You have not received any inpatient Hospital care for sixty (60) days in a row. If You go into a Hospital after one benefit period has ended, a new benefit period begins. You must pay the inpatient Hospital deductible or a portion thereof for each benefit period, unless such coverage is listed as an additional benefit in this policy.

CARE IN A SKILLED NURSING FACILITY: This refers to inpatient skilled nursing care and treatment You need after You are released from the Hospital and sent home. Part A of Medicare will provide such coverage. The Skilled Nursing Facility confinement must:

- (1) Be preceded by a Hospital stay of at least three (3) days;
- (2) Begin within thirty (30) days of discharge from the Hospital; and
- (3) The patient's care in the Skilled Nursing Facility must be for the same condition that was treated in the Hospital.

COINSURANCE: The percent of the Medicare approved amount that You have to pay after You pay the deductible for Part A and or Part B. In the Medicare Plan, the coinsurance payment is a percentage of the cost of the service.

CO-PAYMENTS: The amount You pay for each medical service, like a Physician's visit. A co-payment is usually a set amount You pay. For example, this could be \$10.00 or \$20.00 for a Physician's visit. Co-payments are also used for some Hospital outpatient services in Medicare.

COST SHARING: This amount can include Co-payments, Coinsurance, and/or deductibles.

CREDITABLE COVERAGE: With respect to an individual, creditable coverage is coverage of the individual provided under any of the following:

- (1) A group health plan;
- (2) Health insurance coverage;
- (3) Part A or Part B of Title XVIII of the Social Security Act (Medicare);
- (4) Title XIX of the Social Security Act (Medicaid), other than coverage consisting solely of benefits under section 1928;
- (5) Chapter 55 of Title 10 United States Code (TRICARE);
- (6) A medical care program of the Indian Health Service or of a tribal organization;
- (7) A state health benefits risk pool;
- (8) A health plan offered under chapter 89 of Title 5 United States Code (Federal Employees Health Benefits Program);

- (9) A public health plan as defined in federal regulation; and
- (10) A health benefit plan under Section 5(e) of the Peace Corps Act (22 United States Code 2504(e)).

CONTINUOUS PERIOD OF CREDITABLE COVERAGE: The period during which You were covered by Creditable Coverage, if during the period of coverage You had no breaks in coverage greater than sixty-three (63) days.

EMERGENCY CARE: Care needed immediately because of an injury or an illness of sudden and unexpected onset.

GUARANTEED RENEWABLE: A right You have that requires Us to automatically renew or continue Your Medicare Supplement policy, unless You make untrue statements to Us, commit fraud or do not pay Your premiums.

HOSPICE: A coordinated, interdisciplinary program for meeting the special physical, emotional, social, and spiritual needs of dying individuals, by providing palliative and supportive services during the illness to individuals who have no reasonable prospect of cure and, as estimated by a Physician, have a life expectancy of six (6) months or less.

HOSPITAL: An institution operating under the laws of the state where it is located. It provides medical, diagnostic or surgical services, either on its premises or in facilities available to the hospital on a contractual, prearranged basis, for the care and treatment of sick or injured persons. Such treatment is rendered on the advice and under the supervision of a staff of one or more duly licensed Physicians. It provides 24-hour nursing service by or under the supervision of registered, graduate, professional Nurses (R.N.'s).

INJURY: Accidental bodily injury sustained by You which is the direct result of an accident, independent of disease or bodily infirmity or any other cause, and that occurs while this policy is in force.

MEDICARE: Title I, Part I of Public Law 89-97, as enacted by the Eighty-Ninth (89th) Congress of the United States of America and popularly known as the Health Insurance for the Aged Act, as then constituted and any later amendments or substitutes thereof.

- (1) Hospital coverage is known as Part A. Medicare will determine the expenses that qualify for Medicare benefits. These expenses are known as Medicare Eligible Expenses.
- (2) Medical-Surgical coverage is known as Part B or Voluntary Coverage. You must indicate when You enroll for Social Security benefits if You want this coverage. There is a monthly charge for it. The amount is deducted from Your Social Security monthly check. Medicare will determine the expenses that qualify for Medicare benefits. These expenses are known as Medicare Eligible Expenses. Of the Eligible Expenses, Medicare will then determine the amount that is approved for payment.

MEDICARE ELIGIBLE EXPENSES: Expenses of the kind covered by Medicare Parts A and B, to the extent recognized as reasonable and medically necessary by Medicare.

NURSE: A registered, graduate, professional Nurse (R.N.), licensed practical Nurse (L.P.N.), or licensed vocational Nurse (L.V.N.).

PART A MEDICARE DEDUCTIBLE: The initial amount of Hospital expense You incur in each Benefit Period as a resident bed patient under Part A of Medicare. Medicare sets the amount of this deductible. This amount is not paid by Medicare.

PART B MEDICARE CALENDAR YEAR DEDUCTIBLE: The amount You must pay each calendar year before benefits can be paid under Part B of Medicare. Medicare sets the amount of the deductible. This amount is not paid by Medicare. A calendar year begins on January 1st and ends on December 31st.

PHYSICIAN: A legally qualified and licensed practitioner of the healing arts who is practicing within the scope of his authority.

PREEXISTING CONDITION: A condition for which medical advice was given or treatment was recommended by or received from a Physician within six (6) months prior to the policy effective date.

RESPITE CARE: Care given to allow Your caregiver to rest. You can stay in a Medicare-approved Hospital or nursing home up to five days for each time the respite care is elected.

SICKNESS: An illness or disease incurred by You which first manifests itself after the effective date and while this policy is in force.

SKILLED NURSING FACILITY: An institution licensed under the laws of the state where it is located. It is a facility that is certified by Medicare or is qualified to receive such approval, if requested. This definition shall include the various levels of skilled care facilities of the state where located. This definition shall NOT include intermediate or custodial care facilities.

PART 3: EXCLUSIONS AND LIMITATIONS

The benefits of this policy will not duplicate any benefits paid by Medicare. The combined benefits of this policy and the benefits paid by Medicare may not exceed one-hundred percent (100%) of the Medicare Eligible Expenses incurred. This policy will not pay benefits for the following:

- (1) The Medicare Part B Deductible;
- (2) Any expense which You are not legally obligated to pay; or services for which no charge is normally made in the absence of insurance;
- (3) Any services that are not medically necessary as determined by Medicare;
- (4) Any portion of any expense for which payment is made by Medicare or other government programs (except Medicaid); or for which payment would have been made by Medicare if You were enrolled in Parts A and B of Medicare;

- (5) Any type of expense not a Medicare Eligible Expense except as provided previously in this policy;
- (6) Any deductible, Coinsurance or Co-payment not covered by Medicare, unless such coverage is listed as an additional benefit in this policy;
- (7) Confinement that begins or expenses incurred while Your policy is not in force; or
- (8) Preexisting Conditions: No claim for loss incurred after six (6) months from the effective date of Your coverage will be reduced or denied on the ground that a disease or physical condition had existed within six (6) months prior to the policy effective date.

We will not pay for any expenses incurred for care or treatment of a Preexisting Condition for the first six (6) months from the effective date of coverage. This exclusion does not apply if You applied for and were issued this policy under guaranteed issue status; if on the date of application for this policy You had at least six (6) months of prior Creditable Coverage; or, if this policy is replacing another Medicare Supplement policy and a six (6) month waiting period has already been satisfied. Evidence of prior coverage or replacement must have been disclosed on the application for this policy.

If You had less than six (6) months prior Creditable Coverage, the Preexisting Conditions limitation will be reduced by the aggregate amount of Creditable Coverage. If this policy is replacing another Medicare Supplement policy, credit will be given for any portion of the waiting period that has been satisfied.

PART 4: MEDICARE BENEFIT CHANGES

The benefits provided by this Medicare Supplement policy are designed to cover Cost Sharing amounts under Medicare and will be changed automatically to coincide with any changes in the applicable Medicare deductible, Co-payment, or Coinsurance amounts. Premiums may be modified to correspond with such changes as specified in the Right to Adjust Future Premiums provision as stated in Part 5.

PART 5: RENEWABILITY

You may renew this policy for life by paying the premium when it becomes due. We may not cancel this policy before the expiration of the grace period. If the premium due is not paid during the grace period, the policy will terminate coverage at the end of the period for which premiums were paid.

Right to Adjust Future Premiums: The premium shown on the Policy Schedule Page may change on the premium due date following the date:

- (1) We change the rates which apply to all policies of this form issued by Us and in force in Your state;
- (2) Coverage under Medicare changes; or
- (3) You move to a different ZIP Code location.

We will send You a written notice at least thirty (30) days in advance when We change the premium rates for all policies of this form issued by Us and in force in Your state.

PART 6: ELIGIBILITY

Renewal: All renewal premiums must be paid in consecutive terms. They shall be paid by modes currently offered by Us. Renewal premiums are payable to Us. Premiums must be paid on or before the date due or before the end of the grace period. If this policy should lapse, the payment of a premium will reinstate this policy only as provided in the reinstatement provision in this section.

Grace Period: A grace period of thirty-one (31) days will be granted for the payment of each premium, falling due after the first premium. This policy will continue in force during the grace period. If the premium due is not paid during the grace period, the policy will terminate coverage at the end of the period for which premiums were paid.

Lapse and Reinstatement: If the renewal premium is not paid within the grace period, this policy will lapse on the first premium due date for which premium was not paid. If the policy lapses, Our acceptance of a premium payment without requiring an application for reinstatement will reinstate this policy. Any premium accepted in connection with a reinstatement will be applied to a period for which premium has not been previously paid, but not to any period more than sixty (60) days prior to the date of reinstatement.

If We require an application for reinstatement and issue a conditional receipt, this policy will be reinstated upon Our approval of the reinstatement application. If We do not notify You in writing of Our prior approval or disapproval, this policy will automatically be reinstated on the forty-fifth (45th) day following the date of the conditional receipt.

The reinstated policy will cover loss resulting from Injury or Sickness sustained after the date of reinstatement. In all other respects, Your rights and Ours will remain the same, subject to any restrictions attached in connection with the reinstatement.

PART 8: SUSPENSION OF COVERAGE BY YOU

Suspension Available During Medicaid Entitlement

- (1) Benefits and premiums under this policy will be suspended at Your request for the period in which You apply for and are determined to be entitled to medical assistance under Medicaid, but only if You notify Us within ninety (90) days after the date You become entitled to the Medicaid assistance. This suspension of coverage can last for up to twenty-four (24) months while Your Medicaid entitlement continues.
- (2) If suspension occurs and You lose entitlement to Medicaid, this policy will be automatically reinstituted (effective as of the date of termination of Medicaid entitlement) as long as You notify Us of the loss of entitlement within ninety (90) days after the date of loss and pay the premium applicable to the period, effective as of the date of termination of Medicaid entitlement.

Reinstitution of coverages as described in subparagraph (2).

- (a) Shall not provide for any waiting period with respect to treatment of preexisting conditions;
- (b) Shall provide for resumption of coverage which is substantially equivalent to coverage in effect before the date of such suspension; and,
- (c) Shall charge a premium at least as favorable as the premium that would have applied to You had the coverage not been suspended.

Suspension Available While Covered Under a Group Health Plan

Benefits and premiums under this policy will be suspended (for any period that may be provided by federal regulation) at Your request if You are entitled to benefits under section 226(b) of the Social Security Act and are covered under a group health plan (as defined in section 1862(b)(1)(A)(v) of the Social Security Act). If suspension occurs and You lose coverage under the group health plan, this policy will be automatically reinstituted (effective as of the date of loss of coverage) if You notify Us of the loss of coverage within ninety (90) days after the date of loss of the group health plan and pay the premium applicable to this policy period, effective as of the date of termination of enrollment in the group health plan.

Reinstitution of coverages:

- (a) Shall not provide for any waiting period with respect to treatment of preexisting conditions;
- (b) Shall provide for resumption of coverage which is substantially equivalent to coverage in effect before the date of such suspension; and,
- (c) Shall charge a premium at least as favorable as the premium that would have applied to You had the coverage not been suspended.

Claim Forms: When We receive notice of claim, if additional information is required, We will send You forms for filing proof of loss. If We fail to provide these forms within fifteen (15) days after receipt of notice of claim, We agree You will have met the requirements for filing proof of loss, within the time allowed.

Proof of Loss: Written proof of loss must be furnished to Us within ninety (90) days after the date of loss. Failure to provide written proof will not invalidate nor reduce any claim if it was not reasonably possible to send such proof within the time allowed, provided such proof is furnished as soon as reasonably possible. In no event, except in the absence of legal capacity, will any claim be accepted later than one (1) year from the time proof is otherwise required.

Time of Payment of Claims: All benefits payable under this policy will be payable immediately upon Our receipt of due written proof of loss.

Extension of Benefits: Termination of this policy will be without prejudice to any continuous loss which commenced while the policy was in force, coverage for such loss will continue beyond the date insurance ends. Receipt of Medicare Part D benefits shall not be considered in determining a continuous loss.

Payment of Claims: All benefits payable under this policy will be payable to You during Your lifetime, unless a valid written assignment by You to pay the medical provider is included with the claim.

Unless We receive prior written instructions from You to the contrary, any health care benefits unpaid at Your death will be paid to Your estate. If benefits are payable to Your estate, We may pay benefits up to \$1,000 to someone related to You by blood or marriage whom We consider to be entitled to the benefits. We will be discharged to the extent of any such payment made in good faith.

No claim for loss incurred or disability that starts after six (6) months from the issue date will be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss had existed prior to the effective date of coverage of this policy.

Cancellation: You may cancel this policy at any time by notifying Us. Your cancellation will be effective upon receipt of Your notice or on such later date as may be specified in such notice. In the event of cancellation, We will return the unearned portion of any premium paid. Cancellation will be without prejudice to any claim originating prior to the effective date of cancellation. Upon your death, we will refund premiums paid for any period beyond the policy month in which death occurred. SECTION VII - COMMENTS

SECTION VIII – IMPORTANT STATEMENTS FOR APPLICANT TO READ

- You do not need more than one Medicare supplement policy.
- If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.
- You may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.
- If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing Medicaid eligibility. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs, and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

GUARANTEED RENEWABLE FOR LIFE

RENEWAL AND PREMIUM PAYMENT PROVISIONS

This policy may be kept in force during Your lifetime by paying the premiums on time. We cannot cancel or refuse to renew this policy for any reason other than nonpayment of premium or material misrepresentation in the application for insurance. On each premium due date, the premium may change if a new table of rates is applicable to the policy but only as specified in the Right to Adjust Future Premiums provision as stated in Part 5. If We change the premium rates for all policies of this form issued by Us and in force in Your state, We will inform You in writing before the change occurs at the address shown in Our records.

PREEXISTING CONDITION(S) LIMITATION PROVISION

This policy will not cover loss due to Preexisting Condition(s) unless the expense for that loss is incurred more than six (6) months after the effective date of coverage.

This provision does not apply if, as of the date of application, You had a Continuous Period of Creditable Coverage or had prior coverage under a Medicare Supplement policy for at least six (6) months. If, as of the date of application, You had less than six (6) months prior Creditable Coverage, the Preexisting Conditions limitation will be reduced by the aggregate amount of Creditable Coverage. If this policy is replacing another Medicare Supplement policy, credit will be given for any portion of the waiting period that has been satisfied. This provision does not apply if You applied for and were issued this policy under guaranteed issue status.

IMPORTANT NOTICE! PLEASE READ

Please read the copy of the application attached to this policy. Omissions or misstatements in the application could cause an otherwise valid claim to be denied or coverage to be rescinded. Carefully check the application and write to Loyal American Life Insurance Company at [P.O. Box 559004, Austin, Texas 78755-9004] within ten (10) days if any information shown on it is not correct and complete or if any medical history has been left out. PART 1: BASIC INFORMATION ABOUT THIS POLICY AND MEDICARE

Some words and phrases in this policy may be new to You. We want You to understand them. The words and phrases that follow are those used in administering Medicare Supplemental benefits. These words are capitalized wherever they appear in the policy. Where used in this policy, the following words and phrases mean:

DEFINITIONS

BENEFIT PERIOD: A benefit period begins the first day You are confined in a Hospital. The benefit period ends when You have not received any inpatient Hospital care for sixty (60) days in a row. If You go into a Hospital after one benefit period has ended, a new benefit period begins. You must pay the inpatient Hospital deductible or a portion thereof for each benefit period, unless such coverage is listed as an additional benefit in this policy.

COINSURANCE: The percent of the Medicare approved amount that You have to pay after You pay the deductible for Part A and or Part B. In the Medicare Plan, the coinsurance payment is a percentage of the cost of the service.

CO-PAYMENTS: The amount You pay for each medical service, like a Physician's visit. A co-payment is usually a set amount You pay. For example, this could be \$10.00 or \$20.00 for a Physician's visit. Co-payments are also used for some Hospital outpatient services in Medicare.

COST SHARING: This amount can include Co-payments, Coinsurance, and/or deductibles.

CREDITABLE COVERAGE: With respect to an individual, creditable coverage is coverage of the individual provided under any of the following:

- (1) A group health plan;
- (2) Health insurance coverage;
- (3) Part A or Part B of Title XVIII of the Social Security Act (Medicare);
- (4) Title XIX of the Social Security Act (Medicaid), other than coverage consisting solely of benefits under section 1928;
- (5) Chapter 55 of Title 10 United States Code (TRICARE);
- (6) A medical care program of the Indian Health Service or of a tribal organization;
- (7) A state health benefits risk pool;
- (8) A health plan offered under chapter 89 of Title 5 United States Code (Federal Employees Health Benefits Program);
- (9) A public health plan as defined in federal regulation; and
- (10) A health benefit plan under Section 5(e) of the Peace Corps Act (22 United States Code 2504(e)).

CONTINUOUS PERIOD OF CREDITABLE COVERAGE: The period during which You were covered by Creditable Coverage, if during the period of coverage You had no breaks in coverage greater than sixty-three (63) days.

GUARANTEED RENEWABLE: A right You have that requires Us to automatically renew or continue Your Medicare Supplement policy, unless You make untrue statements to Us, commit fraud or do not pay Your premiums.

HOSPICE: A coordinated, interdisciplinary program for meeting the special physical, emotional, social, and spiritual needs of dying individuals, by providing palliative and supportive services during the illness to individuals who have no reasonable prospect of cure and, as estimated by a Physician, have a life expectancy of six (6) months or less.

HOSPITAL: An institution operating under the laws of the state where it is located. It provides medical, diagnostic or surgical services, either on its premises or in facilities available to the hospital on a contractual, prearranged basis, for the care and treatment of sick or injured persons. Such treatment is rendered on the advice and under the supervision of a staff of one or more duly licensed Physicians. It provides 24-hour nursing service by or under the supervision of registered, graduate, professional Nurses (R.N.'s).

INJURY: Accidental bodily injury sustained by You which is the direct result of an accident, independent of disease or bodily infirmity or any other cause, and that occurs while this policy is in force.

MEDICARE: Title I, Part I of Public Law 89-97, as enacted by the Eighty-Ninth (89th) Congress of the United States of America and popularly known as the Health Insurance for the Aged Act, as then constituted and any later amendments or substitutes thereof.

- (1) Hospital coverage is known as Part A. Medicare will determine the expenses that qualify for Medicare benefits. These expenses are known as Medicare Eligible Expenses.
- (2) Medical-Surgical coverage is known as Part B or Voluntary Coverage. You must indicate when You enroll for Social Security benefits if You want this coverage. There is a monthly charge for it. The amount is deducted from Your Social Security monthly check. Medicare will determine the expenses that qualify for Medicare benefits. These expenses are known as Medicare Eligible Expenses. Of the Eligible Expenses, Medicare will then determine the amount that is approved for payment.

MEDICARE ELIGIBLE EXPENSES: Expenses of the kind covered by Medicare Parts A and B, to the extent recognized as reasonable and medically necessary by Medicare.

NURSE: A registered, graduate, professional Nurse (R.N.), licensed practical Nurse (L.P.N.), or licensed vocational Nurse (L.V.N.).

PART A MEDICARE DEDUCTIBLE: The initial amount of Hospital expense You incur in each Benefit Period as a resident bed patient under Part A of Medicare. Medicare sets the amount of this deductible. This amount is not paid by Medicare.

PART B MEDICARE CALENDAR YEAR DEDUCTIBLE: The amount You must pay each calendar year before benefits can be paid under Part B of Medicare. Medicare sets the amount of the deductible. This amount is not paid by Medicare. A calendar year begins on January 1st and ends on December 31st.

PHYSICIAN: A legally qualified and licensed practitioner of the healing arts who is practicing within the scope of his authority.

PREEXISTING CONDITION: A condition for which medical advice was given or treatment was recommended by or received from a Physician within six (6) months prior to the policy effective date.

RESPIRE CARE: Care given to allow Your caregiver to rest. You can stay in a Medicare-approved Hospital or nursing home up to five days for each time the respite care is elected.

SICKNESS: An illness or disease incurred by You which first manifests itself after the effective date and while this policy is in force.

PART 2: BENEFITS PROVIDED BY THIS POLICY

EFFECTIVE DATE FOR BENEFITS: The effective date of Your policy is shown on the Policy Schedule Page located on Page 3. We will pay benefits provided by this policy for Injury or Sickness that happens to You after the effective date if Your policy is in force at that time.

BASIC CORE BENEFITS

When You Receive Services For Medicare Eligible Expenses, We Will Pay Basic Core Benefits As Follows:

Inpatient Hospital Confinement Benefits (Medicare Part A)

Coinsurance Benefit: Coverage of Part A Medicare Eligible Expenses for hospitalization to the extent not covered by Medicare from the 61st day through the 90th day in any Medicare Benefit Period.

Lifetime Reserve Days Benefit: Coverage of Part A Medicare Eligible Expenses incurred for hospitalization to the extent not covered by Medicare for each Medicare lifetime inpatient reserve day used.

Medicare Exhaustion Benefit: Upon exhaustion of the Medicare Hospital inpatient coverage including the lifetime reserve days, coverage of one-hundred percent (100%) of the Medicare Part A Eligible Expenses for hospitalization paid at the applicable prospective payment system (PPS) rate, or other appropriate Medicare standard of payment, subject to a lifetime maximum benefit of an additional 365 days (the provider shall accept Our payment in full and may not bill You for any balance).

Blood Benefit (Medicare Part A or Part B)

Coverage under Medicare Parts A and B for the reasonable cost of the first three (3) pints of blood (or equivalent quantities of packed red blood cells, as defined under federal regulations) unless replaced in accordance with federal regulations.

Medicare Part B Coinsurance Benefit

Coverage for the Coinsurance amount, (or in the case of Hospital outpatient department services paid under a prospective payment system, the Co-payment amount) of Medicare Eligible Expenses under Part B regardless of Hospital confinement, subject to the Medicare Part B Deductible.

Hospice Care

Coverage of Cost Sharing for all Part A Medicare eligible Hospice care and inpatient Respite Care expenses.

PART 3: EXCLUSIONS AND LIMITATIONS

The benefits of this policy will not duplicate any benefits paid by Medicare. The combined benefits of this policy and the benefits paid by Medicare may not exceed one-hundred percent (100%) of the Medicare Eligible Expenses incurred. This policy will not pay benefits for the following:

- (1) The Medicare Part B Deductible;
- (2) Any expense which You are not legally obligated to pay; or services for which no charge is normally made in the absence of insurance;
- (3) Any services that are not medically necessary as determined by Medicare;
- (4) Any portion of any expense for which payment is made by Medicare or other government programs (except Medicaid); or for which payment would have been made by Medicare if You were enrolled in Parts A and B of Medicare;
- (5) Any type of expense not a Medicare Eligible Expense except as provided previously in this policy;
- (6) Any deductible, Coinsurance or Co-payment not covered by Medicare, unless such coverage is listed as an additional benefit in this policy;
- (7) Confinement that begins or expenses incurred while Your policy is not in force; or
- (8) Preexisting Conditions: No claim for loss incurred after six (6) months from the effective date of Your coverage will be reduced or denied on the ground that a disease or physical condition had existed within six (6) months prior to the policy effective date.

We will not pay for any expenses incurred for care or treatment of a Preexisting Condition for the first six (6) months from the effective date of coverage. This exclusion does not apply if You applied for and were issued this policy under guaranteed issue status; if on the date of application for this policy You had at least six (6) months of prior Creditable Coverage; or, if this policy is replacing another Medicare Supplement policy and a six (6) month waiting period has already been satisfied. Evidence of prior coverage or replacement must have been disclosed on the application for this policy.

If You had less than six (6) months prior Creditable Coverage, the Preexisting Conditions limitation will be reduced by the aggregate amount of Creditable Coverage. If this policy is replacing another Medicare Supplement policy, credit will be given for any portion of the waiting period that has been satisfied.

PART 4: MEDICARE BENEFIT CHANGES

The benefits provided by this Medicare Supplement policy are designed to cover Cost Sharing amounts under Medicare and will be changed automatically to coincide with any changes in the applicable Medicare deductible, Co-payment, or Coinsurance amounts. Premiums may be modified to correspond with such changes as specified in the Right to Adjust Future Premiums provision as stated in Part 5.

PART 5: RENEWABILITY

You may renew this policy for life by paying the premium when it becomes due. We may not cancel this policy before the expiration of the grace period. If the premium due is not paid during the grace period, the policy will terminate coverage at the end of the period for which premiums were paid.

Right to Adjust Future Premiums: The premium shown on the Policy Schedule Page may change on the premium due date following the date:

- (1) We change the rates which apply to all policies of this form issued by Us and in force in Your state;
- (2) Coverage under Medicare changes; or
- (3) You move to a different ZIP Code location.

We will send You a written notice at least thirty (30) days in advance when We change the premium rates for all policies of this form issued by Us and in force in Your state.

PART 6: ELIGIBILITY

INSURED is the person named on the Policy Schedule Page, located on Page 3, until death or termination of coverage.

PART 7: PREMIUM PAYMENTS AND REINSTATEMENT

Initial: This policy is issued based on the application, Our underwriting requirements and payment of the initial premium. The policy begins on the effective date shown on the Policy Schedule Page. All periods of insurance will begin and end at 12:01 a.m., at the place where You live.

Renewal: All renewal premiums must be paid in consecutive terms. They shall be paid by modes currently offered by Us. Renewal premiums are payable to Us. Premiums must be paid on or before the date due or before the end of the grace period. If this policy should lapse, the payment of a premium will reinstate this policy only as provided in the reinstatement provision in this section.

Grace Period: A grace period of thirty-one (31) days will be granted for the payment of each premium, falling due after the first premium. This policy will continue in force during the grace period. If the premium due is not paid during the grace period, the policy will terminate coverage at the end of the period for which premiums were paid.

Lapse and Reinstatement: If the renewal premium is not paid within the grace period, this policy will lapse on the first premium due date for which premium was not paid. If the policy lapses, Our acceptance of a premium payment without requiring an application for reinstatement will reinstate this policy. Any premium accepted in connection with a reinstatement will be applied to a period for which premium has not been previously paid, but not to any period more than sixty (60) days prior to the date of reinstatement.

If We require an application for reinstatement and issue a conditional receipt, this policy will be reinstated upon Our approval of the reinstatement application. If We do not notify You in writing of Our prior approval or disapproval, this policy will automatically be reinstated on the forty-fifth (45th) day following the date of the conditional receipt.

The reinstated policy will cover loss resulting from Injury or Sickness sustained after the date of reinstatement. In all other respects, Your rights and Ours will remain the same, subject to any restrictions attached in connection with the reinstatement.

PART 8: SUSPENSION OF COVERAGE BY YOU

Suspension Available During Medicaid Entitlement

- (1) Benefits and premiums under this policy will be suspended at Your request for the period in which You apply for and are determined to be entitled to medical assistance under Medicaid, but only if You notify Us within ninety (90) days after the date You become entitled to the Medicaid assistance. This suspension of coverage can last for up to twenty-four (24) months while Your Medicaid entitlement continues.
- (2) If suspension occurs and You lose entitlement to Medicaid, this policy will be automatically reinstituted (effective as of the date of termination of Medicaid entitlement) as long as You notify Us of the loss of entitlement within ninety (90) days after the date of loss and pay the premium applicable to the period, effective as of the date of termination of Medicaid entitlement.

Reinstitution of coverages as described in subparagraph (2).

- (a) Shall not provide for any waiting period with respect to treatment of preexisting conditions;
- (b) Shall provide for resumption of coverage which is substantially equivalent to coverage in effect before the date of such suspension; and,
- (c) Shall charge a premium at least as favorable as the premium that would have applied to You had the coverage not been suspended.

Suspension Available While Covered Under a Group Health Plan

Benefits and premiums under this policy will be suspended (for any period that may be provided by federal regulation) at Your request if You are entitled to benefits under section 226(b) of the Social Security Act and are covered under a group health plan (as defined in section 1862(b)(1)(A)(v) of the Social Security Act). If suspension occurs and You lose coverage under the group health plan, this policy will be automatically reinstituted (effective as of the date of loss of coverage) if You notify Us of the loss of coverage within ninety (90) days after the date of loss of the group health plan and pay the premium applicable to this policy period, effective as of the date of termination of enrollment in the group health plan.

Reinstitution of coverages:

- (a) Shall not provide for any waiting period with respect to treatment of preexisting conditions;
- (b) Shall provide for resumption of coverage which is substantially equivalent to coverage in effect before the date of such suspension; and,
- (c) Shall charge a premium at least as favorable as the premium that would have applied to You had the coverage not been suspended.

PART 9: HOW TO FILE A CLAIM

Notice of Claim: Written notice of a claim must be given to Us within ninety (90) days after the occurrence or commencement of any loss covered by this policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of You to Us, with information sufficient to identify You, will be notice to Us.

Claim Forms: When We receive notice of claim, if additional information is required, We will send You forms for filing proof of loss. If We fail to provide these forms within fifteen (15) days after receipt of notice of claim, We agree You will have met the requirements for filing proof of loss, within the time allowed.

Proof of Loss: Written proof of loss must be furnished to Us within ninety (90) days after the date of loss. Failure to provide written proof will not invalidate nor reduce any claim if it was not reasonably possible to send such proof within the time allowed, provided such proof is furnished as soon as reasonably possible. In no event, except in the absence of legal capacity, will any claim be accepted later than one (1) year from the time proof is otherwise required.

Time of Payment of Claims: All benefits payable under this policy will be payable immediately upon Our receipt of due written proof of loss.

Extension of Benefits: Termination of this policy will be without prejudice to any continuous loss which commenced while the policy was in force, coverage for such loss will continue beyond the date insurance ends. This extension of coverage is subject to Your continuous total disability and limited to the duration of the Medicare Benefit Period or, if none is applicable, payment of the maximum benefits. Receipt of Medicare Part D benefits shall not be considered in determining a continuous loss.

Payment of Claims: All benefits payable under this policy will be payable to You during Your lifetime, unless a valid written assignment by You to pay the medical provider is included with the claim.

Unless We receive prior written instructions from You to the contrary, any health care benefits unpaid at Your death will be paid to Your estate. If benefits are payable to Your estate, We may pay benefits up to \$1,000 to someone related to You by blood or marriage whom We consider to be entitled to the benefits. We will be discharged to the extent of any such payment made in good faith.

PART 10: GENERAL INFORMATION

The provisions of the policy set out Your rights and obligations as a policyowner and Our rights and obligations as Your insurance company.

Entire Contract; Changes: This policy, including the application, the endorsements and the attached papers, if any, constitutes the entire contract of insurance. No change in this policy shall be valid unless approved by an Executive Officer of the insurance company in writing. Such officer's approval must be endorsed hereon and attached hereto. No agent has authority to change this policy or to waive any of its provisions.

Time Limit on Certain Defenses: After two (2) years from the date of issue of this policy, no misstatements, except fraudulent misstatements, made by You in the application for the policy shall be used to void the policy or to deny a claim for loss incurred or disability commencing after the expiration of the two (2) year period.

No claim for loss incurred or disability that starts after six (6) months from the issue date will be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss had existed prior to the effective date of coverage of this policy.

Conformity with State Statutes and/or Insurance Regulations: Any provision of this policy, which, on its effective date, is in conflict with the statutes, and/or insurance regulations of the State where You reside is hereby amended to conform to the minimum requirements of such statutes and/or regulations.

Our Right to Examine Hospital and Medical Records: In the event of a claim, We may examine Your Hospital charts and medical records at Our expense if We find it necessary.

Legal Actions: No action at law or in equity shall be brought to recover on this policy prior to the expiration of sixty (60) days after written proof of loss has been furnished in accordance with the requirements of this policy. PART 1: BASIC INFORMATION ABOUT THIS POLICY AND MEDICARE

Some words and phrases in this policy may be new to You. We want You to understand them. The words and phrases that follow are those used in administering Medicare Supplemental benefits. These words are capitalized wherever they appear in the policy. Where used in this policy, the following words and phrases mean:

DEFINITIONS

BENEFIT PERIOD: A benefit period begins the first day You are confined in a Hospital. The benefit period ends when You have not received any inpatient Hospital care for sixty (60) days in a row. If You go into a Hospital after one benefit period has ended, a new benefit period begins. You must pay the inpatient Hospital deductible or a portion thereof for each benefit period, unless such coverage is listed as an additional benefit in this policy.

CARE IN A SKILLED NURSING FACILITY: This refers to inpatient skilled nursing care and treatment You need after You are released from the Hospital and sent home. Part A of Medicare will provide such coverage. The Skilled Nursing Facility confinement must:

- (1) Be preceded by a Hospital stay of at least three (3) days;
- (2) Begin within thirty (30) days of discharge from the Hospital; and
- (3) The patient's care in the Skilled Nursing Facility must be for the same condition that was treated in the Hospital.

COINSURANCE: The percent of the Medicare approved amount that You have to pay after You pay the deductible for Part A and or Part B. In the Medicare Plan, the coinsurance payment is a percentage of the cost of the service.

CO-PAYMENTS: The amount You pay for each medical service, like a Physician's visit. A co-payment is usually a set amount You pay. For example, this could be \$10.00 or \$20.00 for a Physician's visit. Co-payments are also used for some Hospital outpatient services in Medicare.

COST SHARING: This amount can include Co-payments, Coinsurance, and/or deductibles.

CREDITABLE COVERAGE: With respect to an individual, creditable coverage is coverage of the individual provided under any of the following:

- (1) A group health plan;
- (2) Health insurance coverage;
- (3) Part A or Part B of Title XVIII of the Social Security Act (Medicare);
- (4) Title XIX of the Social Security Act (Medicaid), other than coverage consisting solely of benefits under section 1928;
- (5) Chapter 55 of Title 10 United States Code (TRICARE);
- (6) A medical care program of the Indian Health Service or of a tribal organization;
- (7) A state health benefits risk pool;
- (8) A health plan offered under chapter 89 of Title 5 United States Code (Federal Employees Health Benefits Program);
- (9) A public health plan as defined in federal regulation; and
- (10) A health benefit plan under Section 5(e) of the Peace Corps Act (22 United States Code 2504(e))

CONTINUOUS PERIOD OF CREDITABLE COVERAGE: The period during which You were covered by Creditable Coverage, if during the period of coverage You had no breaks in coverage greater than sixty-three (63) days.

EMERGENCY CARE: Care needed immediately because of an injury or an illness of sudden and unexpected onset.

EXCESS CHARGES: If you are in Original Medicare, this is the difference between a Physician's or other health care provider's actual charge (which may be limited by Medicare or the state) and the Medicare approved payment amount.

GUARANTEED RENEWABLE: A right You have that requires Us to automatically renew or continue Your Medicare Supplement policy, unless You make untrue statements to Us, commit fraud or do not pay Your premiums.

HOSPICE: A coordinated, interdisciplinary program for meeting the special physical, emotional, social, and spiritual needs of dying individuals, by providing palliative and supportive services during the illness to individuals who have no reasonable prospect of cure and, as estimated by a Physician, have a life expectancy of six (6) months or less.

HOSPITAL: An institution operating under the laws of the state where it is located. It provides medical, diagnostic or surgical services, either on its premises or in facilities available to the hospital on a contractual, prearranged basis, for the care and treatment of sick or injured persons. Such treatment is rendered on the advice and under the supervision of a staff of one or more duly licensed Physicians. It provides 24-hour nursing service by or under the supervision of registered, graduate, professional Nurses (R.N.'s).

INJURY: Accidental bodily injury sustained by You which is the direct result of an accident, independent of disease or bodily infirmity or any other cause, and that occurs while this policy is in force.

MEDICARE: Title I, Part I of Public Law 89-97, as enacted by the Eighty-Ninth (89th) Congress of the United States of America and popularly known as the Health Insurance for the Aged Act, as then constituted and any later amendments or substitutes thereof.

- (1) Hospital coverage is known as Part A. Medicare will determine the expenses that qualify for Medicare benefits. These expenses are known as Medicare Eligible Expenses.
- (2) Medical-Surgical coverage is known as Part B or Voluntary Coverage. You must indicate when You enroll for Social Security benefits if You want this coverage. There is a monthly charge for it. The amount is deducted from Your Social Security monthly check. Medicare will determine the expenses that qualify for Medicare benefits. These expenses are known as Medicare Eligible Expenses. Of the Eligible Expenses, Medicare will then determine the amount that is approved for payment.

MEDICARE ELIGIBLE EXPENSES: Expenses of the kind covered by Medicare Parts A and B, to the extent recognized as reasonable and medically necessary by Medicare.

NURSE: A registered, graduate, professional Nurse (R.N.), licensed practical Nurse (L.P.N.), or licensed vocational Nurse (L.V.N.).

PART A MEDICARE DEDUCTIBLE: The initial amount of Hospital expense You incur in each Benefit Period as a resident bed patient under Part A of Medicare. Medicare sets the amount of this deductible. This amount is not paid by Medicare.

PART B MEDICARE CALENDAR YEAR DEDUCTIBLE: The amount You must pay each calendar year before benefits can be paid under Part B of Medicare. Medicare sets the amount of the deductible. This amount is not paid by Medicare. A calendar year begins on January 1st and ends on December 31st.

PHYSICIAN: A legally qualified and licensed practitioner of the healing arts who is practicing within the scope of his authority.

PREEXISTING CONDITION: A condition for which medical advice was given or treatment was recommended by or received from a Physician within six (6) months prior to the policy effective date.

RESPITE CARE: Care given to allow Your caregiver to rest. You can stay in a Medicare-approved Hospital or nursing home up to five days for each time the respite care is elected.

SICKNESS: An illness or disease incurred by You which first manifests itself after the effective date and while this policy is in force.

SKILLED NURSING FACILITY: An institution licensed under the laws of the state where it is located. It is a facility that is certified by Medicare or is qualified to receive such approval, if requested. This definition shall include the various levels of skilled care facilities of the state where located. This definition shall NOT include intermediate or custodial care facilities.

PART 3: EXCLUSIONS AND LIMITATIONS

The benefits of this policy will not duplicate any benefits paid by Medicare. The combined benefits of this policy and the benefits paid by Medicare may not exceed one-hundred percent (100%) of the Medicare Eligible Expenses incurred. This policy will not pay benefits for the following:

- (1) Any expense which You are not legally obligated to pay; or services for which no charge is normally made in the absence of insurance;
- (2) Any services that are not medically necessary as determined by Medicare;
- (3) Any portion of any expense for which payment is made by Medicare or other government programs (except Medicaid); or for which payment would have been made by Medicare if You were enrolled in Parts A and B of Medicare;

- (4) Any type of expense not a Medicare Eligible Expense except as provided previously in this policy;
- (5) Any deductible, Coinsurance or Co-payment not covered by Medicare, unless such coverage is listed as an additional benefit in this policy;
- (6) Confinement that begins or expenses incurred while Your policy is not in force; or
- (7) Preexisting Conditions: No claim for loss incurred after six (6) months from the effective date of Your coverage will be reduced or denied on the ground that a disease or physical condition had existed within six (6) months prior to the policy effective date.

We will not pay for any expenses incurred for care or treatment of a Preexisting Condition for the first six (6) months from the effective date of coverage. This exclusion does not apply if You applied for and were issued this policy under guaranteed issue status; if on the date of application for this policy You had at least six (6) months of prior Creditable Coverage; or, if this policy is replacing another Medicare Supplement policy and a six (6) month waiting period has already been satisfied. Evidence of prior coverage or replacement must have been disclosed on the application for this policy.

If You had less than six (6) months prior Creditable Coverage, the Preexisting Conditions limitation will be reduced by the aggregate amount of Creditable Coverage. If this policy is replacing another Medicare Supplement policy, credit will be given for any portion of the waiting period that has been satisfied.

PART 4: MEDICARE BENEFIT CHANGES

The benefits provided by this Medicare Supplement policy are designed to cover Cost Sharing amounts under Medicare and will be changed automatically to coincide with any changes in the applicable Medicare deductible, Co-payment, or Coinsurance amounts. Premiums may be modified to correspond with such changes as specified in the Right to Adjust Future Premiums provision as stated in Part 5.

PART 5: RENEWABILITY

You may renew this policy for life by paying the premium when it becomes due. We may not cancel this policy before the expiration of the grace period. If the premium due is not paid during the grace period, the policy will terminate coverage at the end of the period for which premiums were paid.

Right to Adjust Future Premiums: The premium shown on the Policy Schedule Page may change on the premium due date following the date:

- (1) We change the rates which apply to all policies of this form issued by Us and in force in Your state;
- (2) Coverage under Medicare changes; or
- (3) You move to a different ZIP Code location.

We will send You a written notice at least thirty (30) days in advance when We change the premium rates for all policies of this form issued by Us and in force in Your state.

PART 6: ELIGIBILITY

INSURED is the person named on the Policy Schedule Page, located on Page 3, until death or termination of coverage.

PART 7: PREMIUM PAYMENTS AND REINSTATEMENT

Initial: This policy is issued based on the application, Our underwriting requirements and payment of the initial premium. The policy begins on the effective date shown on the Policy Schedule Page. All periods of insurance will begin and end at 12:01 a.m., at the place where You live.

Renewal: All renewal premiums must be paid in consecutive terms. They shall be paid by modes currently offered by Us. Renewal premiums are payable to Us. Premiums must be paid on or before the date due or before the end of the grace period. If this policy should lapse, the payment of a premium will reinstate this policy only as provided in the reinstatement provision in this section.

Grace Period: A grace period of thirty-one (31) days will be granted for the payment of each premium, falling due after the first premium. This policy will continue in force during the grace period. If the premium due is not paid during the grace period, the policy will terminate coverage at the end of the period for which premiums were paid.

Lapse and Reinstatement: If the renewal premium is not paid within the grace period, this policy will lapse on the first premium due date for which premium was not paid. If the policy lapses, Our acceptance of a premium payment without requiring an application for reinstatement will reinstate this policy. Any premium accepted in connection with a reinstatement will be applied to a period for which premium has not been previously paid, but not to any period more than sixty (60) days prior to the date of reinstatement.

If We require an application for reinstatement and issue a conditional receipt, this policy will be reinstated upon Our approval of the reinstatement application. If We do not notify You in writing of Our prior approval or disapproval, this policy will automatically be reinstated on the forty-fifth (45th) day following the date of the conditional receipt.

The reinstated policy will cover loss resulting from Injury or Sickness sustained after the date of reinstatement. In all other respects, Your rights and Ours will remain the same, subject to any restrictions attached in connection with the reinstatement.

PART 8: SUSPENSION OF COVERAGE BY YOU

Suspension Available During Medicaid Entitlement

- (1) Benefits and premiums under this policy will be suspended at Your request for the period in which You apply for and are determined to be entitled to medical assistance under Medicaid, but only if You notify Us within ninety (90) days after the date You become entitled to the Medicaid assistance. This suspension of coverage can last for up to twenty-four (24) months while Your Medicaid entitlement continues.
- (2) If suspension occurs and You lose entitlement to Medicaid, this policy will be automatically reinstituted (effective as of the date of termination of Medicaid entitlement) as long as You notify Us of the loss of entitlement within ninety (90) days after the date of loss and pay the premium applicable to the period, effective as of the date of termination of Medicaid entitlement.

Reinstitution of coverages as described in subparagraph (2).

- (a) Shall not provide for any waiting period with respect to treatment of preexisting conditions;

- (b) Shall provide for resumption of coverage which is substantially equivalent to coverage in effect before the date of such suspension; and,
- (c) Shall charge a premium at least as favorable as the premium that would have applied to You had the coverage not been suspended.

Suspension Available While Covered Under a Group Health Plan

Benefits and premiums under this policy will be suspended (for any period that may be provided by federal regulation) at Your request if You are entitled to benefits under section 226(b) of the Social Security Act and are covered under a group health plan (as defined in section 1862(b)(1)(A)(v) of the Social Security Act). If suspension occurs and You lose coverage under the group health plan, this policy will be automatically reinstituted (effective as of the date of loss of coverage) if You notify Us of the loss of coverage within ninety (90) days after the date of loss of the group health plan and pay the premium applicable to this policy period, effective as of the date of termination of enrollment in the group health plan.

Reinstitution of coverages:

- (a) Shall not provide for any waiting period with respect to treatment of preexisting conditions;
- (b) Shall provide for resumption of coverage which is substantially equivalent to coverage in effect before the date of such suspension; and,
- (c) Shall charge a premium at least as favorable as the premium that would have applied to You had the coverage not been suspended.

PART 9: HOW TO FILE A CLAIM

Notice of Claim: Written notice of a claim must be given to Us within ninety (90) days after the occurrence or commencement of any loss covered by this policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of You to Us, with information sufficient to identify You, will be notice to Us.

Claim Forms: When We receive notice of claim, if additional information is required, We will send You forms for filing proof of loss. If We fail to provide these forms within fifteen (15) days after receipt of notice of claim, We agree You will have met the requirements for filing proof of loss, within the time allowed.

Proof of Loss: Written proof of loss must be furnished to Us within ninety (90) days after the date of loss. Failure to provide written proof will not invalidate nor reduce any claim if it was not reasonably possible to send such proof within the time allowed, provided such proof is furnished as soon as reasonably possible. In no event, except in the absence of legal capacity, will any claim be accepted later than one (1) year from the time proof is otherwise required.

Time of Payment of Claims: All benefits payable under this policy will be payable immediately upon Our receipt of due written proof of loss.

Extension of Benefits: Termination of this policy will be without prejudice to any continuous loss which commenced while the policy was in force, coverage for such loss will continue beyond the date insurance ends. This extension of coverage is subject to Your continuous total disability and limited to the duration of the Medicare Benefit Period or, if none is applicable, payment of the maximum benefits. Receipt of Medicare Part D benefits shall not be considered in determining a continuous loss.

Payment of Claims: All benefits payable under this policy will be payable to You during Your lifetime, unless a valid written assignment by You to pay the medical provider is included with the claim.

Unless We receive prior written instructions from You to the contrary, any health care benefits unpaid at Your death will be paid to Your estate. If benefits are payable to Your estate, We may pay benefits up to \$1,000 to someone related to You by blood or marriage whom We consider to be entitled to the benefits. We will be discharged to the extent of any such payment made in good faith.

PART 1: BASIC INFORMATION ABOUT THIS POLICY AND MEDICARE

Some words and phrases in this policy may be new to You. We want You to understand them. The words and phrases that follow are those used in administering Medicare Supplemental benefits. These words are capitalized wherever they appear in the policy. Where used in this policy, the following words and phrases mean:

DEFINITIONS

BENEFIT PERIOD: A benefit period begins the first day You are confined in a Hospital. The benefit period ends when You have not received any inpatient Hospital care for sixty (60) days in a row. If You go into a Hospital after one benefit period has ended, a new benefit period begins. You must pay the inpatient Hospital deductible or a portion thereof for each benefit period, unless such coverage is listed as an additional benefit in this policy.

CARE IN A SKILLED NURSING FACILITY: This refers to inpatient skilled nursing care and treatment You need after You are released from the Hospital and sent home. Part A of Medicare will provide such coverage. The Skilled Nursing Facility confinement must:

- (1) Be preceded by a Hospital stay of at least three (3) days;
- (2) Begin within thirty (30) days of discharge from the Hospital; and
- (3) The patient's care in the Skilled Nursing Facility must be for the same condition that was treated in the Hospital.

COINSURANCE: The percent of the Medicare approved amount that You have to pay after You pay the deductible for Part A and or Part B. In the Medicare Plan, the coinsurance payment is a percentage of the cost of the service.

CO-PAYMENTS: The amount You pay for each medical service, like a Physician's visit. A co-payment is usually a set amount You pay. For example, this could be \$10.00 or \$20.00 for a Physician's visit. Co-payments are also used for some Hospital outpatient services in Medicare.

COST SHARING: This amount can include Co-payments, Coinsurance, and/or deductibles.

CREDITABLE COVERAGE: With respect to an individual, creditable coverage is coverage of the individual provided under any of the following:

- (1) A group health plan;
- (2) Health insurance coverage;
- (3) Part A or Part B of Title XVIII of the Social Security Act (Medicare);
- (4) Title XIX of the Social Security Act (Medicaid), other than coverage consisting solely of benefits under section 1928;
- (5) Chapter 55 of Title 10 United States Code (TRICARE);
- (6) A medical care program of the Indian Health Service or of a tribal organization;
- (7) A state health benefits risk pool;
- (8) A health plan offered under chapter 89 of Title 5 United States Code (Federal Employees Health Benefits Program);
- (9) A public health plan as defined in federal regulation; and

- (10) A health benefit plan under Section 5(e) of the Peace Corps Act (22 United States Code 2504(e)).

CONTINUOUS PERIOD OF CREDITABLE COVERAGE: The period during which You were covered by Creditable Coverage, if during the period of coverage You had no breaks in coverage greater than sixty-three (63) days.

EMERGENCY CARE: Care needed immediately because of an Injury or an illness of sudden and unexpected onset.

EXCESS CHARGES: If you are in Original Medicare, this is the difference between a Physician's or other health care provider's actual charge (which may be limited by Medicare or the state) and the Medicare approved payment amount.

GUARANTEED RENEWABLE: A right You have that requires Us to automatically renew or continue Your Medicare Supplement policy, unless You make untrue statements to Us, commit fraud or do not pay Your premiums.

HOSPICE: A coordinated, interdisciplinary program for meeting the special physical, emotional, social, and spiritual needs of dying individuals, by providing palliative and supportive services during the illness to individuals who have no reasonable prospect of cure and, as estimated by a Physician, have a life expectancy of six (6) months or less.

HOSPITAL: An institution operating under the laws of the state where it is located. It provides medical, diagnostic or surgical services, either on its premises or in facilities available to the hospital on a contractual, prearranged basis, for the care and treatment of sick or injured persons. Such treatment is rendered on the advice and under the supervision of a staff of one or more duly licensed Physicians. It provides 24-hour nursing service by or under the supervision of registered, graduate, professional Nurses (R.N.'s).

INJURY: Accidental bodily injury sustained by You which is the direct result of an accident, independent of disease or bodily infirmity or any other cause, and that occurs while this policy is in force.

MEDICARE: Title I, Part I of Public Law 89-97, as enacted by the Eighty-Ninth (89th) Congress of the United States of America and popularly known as the Health Insurance for the Aged Act, as then constituted and any later amendments or substitutes thereof.

- (1) Hospital coverage is known as Part A. Medicare will determine the expenses that qualify for Medicare benefits. These expenses are known as Medicare Eligible Expenses.
- (2) Medical-Surgical coverage is known as Part B or Voluntary Coverage. You must indicate when You enroll for Social Security benefits if You want this coverage. There is a monthly charge for it. The amount is deducted from Your Social Security monthly check. Medicare will determine the expenses that qualify for Medicare benefits. These expenses are known as Medicare Eligible Expenses. Of the Eligible Expenses, Medicare will then determine the amount that is approved for payment.

MEDICARE ELIGIBLE EXPENSES: Expenses of the kind covered by Medicare Parts A and B, to the extent recognized as reasonable and medically necessary by Medicare.

NURSE: A registered, graduate, professional Nurse (R.N.), licensed practical Nurse (L.P.N.), or licensed vocational Nurse (L.V.N.).

PART A MEDICARE DEDUCTIBLE: The initial amount of Hospital expense You incur in each Benefit Period as a resident bed patient under Part A of Medicare. Medicare sets the amount of this deductible. This amount is not paid by Medicare.

PART B MEDICARE CALENDAR YEAR DEDUCTIBLE: The amount You must pay each calendar year before benefits can be paid under Part B of Medicare. Medicare sets the amount of the deductible. This amount is not paid by Medicare. A calendar year begins on January 1st and ends on December 31st.

PREEXISTING CONDITION: A condition for which medical advice was given or treatment was recommended by or received from a Physician within six (6) months prior to the policy effective date.

RESPITE CARE: Care given to allow Your caregiver to rest. You can stay in a Medicare-approved Hospital or nursing home up to five days for each time the respite care is elected.

SICKNESS: An illness or disease incurred by You which first manifests itself after the effective date and while this policy is in force.

SKILLED NURSING FACILITY: An institution licensed under the laws of the state where it is located. It is a facility that is certified by Medicare or is qualified to receive such approval, if requested. This definition shall include the various levels of skilled care facilities of the state where located. This definition shall NOT include intermediate or custodial care facilities.

PART 3: EXCLUSIONS AND LIMITATIONS

The benefits of this policy will not duplicate any benefits paid by Medicare. The combined benefits of this policy and the benefits paid by Medicare may not exceed one-hundred percent (100%) of the Medicare Eligible Expenses incurred. This policy will not pay benefits for the following:

- (1) The Medicare Part B Deductible;
- (2) Any expense which You are not legally obligated to pay; or services for which no charge is normally made in the absence of insurance;
- (3) Any services that are not medically necessary as determined by Medicare;
- (4) Any portion of any expense for which payment is made by Medicare or other government programs (except Medicaid); or for which payment would have been made by Medicare if You were enrolled in Parts A and B of Medicare;
- (5) Any type of expense not a Medicare Eligible Expense except as provided previously in this policy;

- (6) Any deductible, Coinsurance or Co-payment not covered by Medicare, unless such coverage is listed as an additional benefit in this policy;
- (7) Confinement that begins or expenses incurred while Your policy is not in force; or
- (8) Preexisting Conditions: No claim for loss incurred after six (6) months from the effective date of Your coverage will be reduced or denied on the ground that a disease or physical condition had existed within six (6) months prior to the policy effective date.

We will not pay for any expenses incurred for care or treatment of a Preexisting Condition for the first six (6) months from the effective date of coverage. This exclusion does not apply if You applied for and were issued this policy under guaranteed issue status; if on the date of application for this policy You had at least six (6) months of prior Creditable Coverage; or, if this policy is replacing another Medicare Supplement policy and a six (6) month waiting period has already been satisfied. Evidence of prior coverage or replacement must have been disclosed on the application for this policy.

If You had less than six (6) months prior Creditable Coverage, the Preexisting Conditions limitation will be reduced by the aggregate amount of Creditable Coverage. If this policy is replacing another Medicare Supplement policy, credit will be given for any portion of the waiting period that has been satisfied.

PART 4: MEDICARE BENEFIT CHANGES

The benefits provided by this Medicare Supplement policy are designed to cover Cost Sharing amounts under Medicare and will be changed automatically to coincide with any changes in the applicable Medicare deductible, Co-payment, or Coinsurance amounts. Premiums may be modified to correspond with such changes as specified in the Right to Adjust Future Premiums provision as stated in Part 5.

PART 5: RENEWABILITY

You may renew this policy for life by paying the premium when it becomes due. We may not cancel this policy before the expiration of the grace period. If the premium due is not paid during the grace period, the policy will terminate coverage at the end of the period for which premiums were paid.

Right to Adjust Future Premiums: The premium shown on the Policy Schedule Page may change on the premium due date following the date:

- (1) We change the rates which apply to all policies of this form issued by Us and in force in Your state;
- (2) Coverage under Medicare changes; or
- (3) You move to a different ZIP Code location.

We will send You a written notice at least thirty (30) days in advance when We change the premium rates for all policies of this form issued by Us and in force in Your state.

PART 6: ELIGIBILITY

INSURED is the person named on the Policy Schedule Page, located on Page 3, until death or termination of coverage.

PART 7: PREMIUM PAYMENTS AND REINSTATEMENT

Initial: This policy is issued based on the application, Our underwriting requirements and payment of the initial premium. The policy begins on the effective date shown on the Policy Schedule Page. All periods of insurance will begin and end at 12:01 a.m., at the place where You live.

Renewal: All renewal premiums must be paid in consecutive terms. They shall be paid by modes currently offered by Us. Renewal premiums are payable to Us. Premiums must be paid on or before the date due or before the end of the grace period. If this policy should lapse, the payment of a premium will reinstate this policy only as provided in the reinstatement provision in this section.

Grace Period: A grace period of thirty-one (31) days will be granted for the payment of each premium, falling due after the first premium. This policy will continue in force during the grace period. If the premium due is not paid during the grace period, the policy will terminate coverage at the end of the period for which premiums were paid.

Lapse and Reinstatement: If the renewal premium is not paid within the grace period, this policy will lapse on the first premium due date for which premium was not paid. If the policy lapses, Our acceptance of a premium payment without requiring an application for reinstatement will reinstate this policy. Any premium accepted in connection with a reinstatement will be applied to a period for which premium has not been previously paid, but not to any period more than sixty (60) days prior to the date of reinstatement.

If We require an application for reinstatement and issue a conditional receipt, this policy will be reinstated upon Our approval of the reinstatement application. If We do not notify You in writing of Our prior approval or disapproval, this policy will automatically be reinstated on the forty-fifth (45th) day following the date of the conditional receipt.

The reinstated policy will cover loss resulting from Injury or Sickness sustained after the date of reinstatement. In all other respects, Your rights and Ours will remain the same, subject to any restrictions attached in connection with the reinstatement.

PART 8: SUSPENSION OF COVERAGE BY YOU

Suspension Available During Medicaid Entitlement

- (1) Benefits and premiums under this policy will be suspended at Your request for the period in which You apply for and are determined to be entitled to medical assistance under Medicaid, but only if You notify Us within ninety (90) days after the date You become entitled to the Medicaid assistance. This suspension of coverage can last for up to twenty-four (24) months while Your Medicaid entitlement continues.
- (2) If suspension occurs and You lose entitlement to Medicaid, this policy will be automatically reinstituted (effective as of the date of termination of Medicaid entitlement) as long as You notify Us of the loss of entitlement within ninety (90) days after the date of loss and pay the premium applicable to the period, effective as of the date of termination of Medicaid entitlement.

Reinstitution of coverages as described in subparagraph (2).

- (a) Shall not provide for any waiting period with respect to treatment of preexisting conditions;

- (b) Shall provide for resumption of coverage which is substantially equivalent to coverage in effect before the date of such suspension; and,
- (c) Shall charge a premium at least as favorable as the premium that would have applied to You had the coverage not been suspended.

Suspension Available While Covered Under a Group Health Plan

Benefits and premiums under this policy will be suspended (for any period that may be provided by federal regulation) at Your request if You are entitled to benefits under section 226(b) of the Social Security Act and are covered under a group health plan (as defined in section 1862(b)(1)(A)(v) of the Social Security Act). If suspension occurs and You lose coverage under the group health plan, this policy will be automatically reinstituted (effective as of the date of loss of coverage) if You notify Us of the loss of coverage within ninety (90) days after the date of loss of the group health plan and pay the premium applicable to this policy period, effective as of the date of termination of enrollment in the group health plan.

Reinstitution of coverages:

- (a) Shall not provide for any waiting period with respect to treatment of preexisting conditions;
- (b) Shall provide for resumption of coverage which is substantially equivalent to coverage in effect before the date of such suspension; and,
- (c) Shall charge a premium at least as favorable as the premium that would have applied to You had the coverage not been suspended.

Proof of Loss: Written proof of loss must be furnished to Us within ninety (90) days after the date of loss. Failure to provide written proof will not invalidate nor reduce any claim if it was not reasonably possible to send such proof within the time allowed, provided such proof is furnished as soon as reasonably possible. In no event, except in the absence of legal capacity, will any claim be accepted later than one (1) year from the time proof is otherwise required.

Time of Payment of Claims: All benefits payable under this policy will be payable immediately upon Our receipt of due written proof of loss.

Extension of Benefits: Termination of this policy will be without prejudice to any continuous loss which commenced while the policy was in force, coverage for such loss will continue beyond the date insurance ends. Receipt of Medicare Part D benefits shall not be considered in determining a continuous loss.

Payment of Claims: All benefits payable under this policy will be payable to You during Your lifetime, unless a valid written assignment by You to pay the medical provider is included with the claim.

Unless We receive prior written instructions from You to the contrary, any health care benefits unpaid at Your death will be paid to Your estate. If benefits are payable to Your estate, We may pay benefits up to \$1,000 to someone related to You by blood or marriage whom We consider to be entitled to the benefits. We will be discharged to the extent of any such payment made in good faith.

You must pay the inpatient Hospital deductible or a portion thereof for each benefit period, unless such coverage is listed as an additional benefit in this policy.

CARE IN A SKILLED NURSING FACILITY: This refers to inpatient skilled nursing care and treatment You need after You are released from the Hospital and sent home. Part A of Medicare will provide such coverage. The Skilled Nursing Facility confinement must:

- (3) The patient's care in the Skilled Nursing Facility must be for the same condition that was treated in the Hospital.

CO-PAYMENTS: The amount You pay for each medical service, like a Physician's visit. A co-payment is usually a set amount You pay. For example, this could be \$10.00 or \$20.00 for a Physician's visit. Co-payments are also used for some Hospital outpatient services in Medicare.

COST SHARING: This amount can include Co-payments, Coinsurance, and/or deductibles.

CREDITABLE COVERAGE: With respect to an individual, creditable coverage is coverage of the individual provided under any of the following:

- (1) A group health plan;

EMERGENCY CARE: Care needed immediately because of an injury or an illness of sudden and unexpected onset.

GUARANTEED RENEWABLE: A right You have that requires Us to automatically renew or continue Your Medicare Supplement policy, unless You make untrue statements to Us, commit fraud or do not pay Your premiums.

HOSPICE: A coordinated, interdisciplinary program for meeting the special physical, emotional, social, and spiritual needs of dying individuals, by providing palliative and supportive services during the illness to individuals who have no reasonable prospect of cure and, as estimated by a Physician, have a life expectancy of six (6) months or less.

HOSPITAL: An institution operating under the laws of the state where it is located. It provides medical, diagnostic or surgical services, either on its premises or in facilities available to the hospital on a contractual, prearranged basis, for the care and treatment of sick or injured persons. It provides 24-hour nursing service by or under the supervision of registered, graduate, professional Nurses (R.N.'s).

INJURY: Accidental bodily injury sustained by You which is the direct result of an accident, independent of disease or bodily infirmity or any other cause, and that occurs while this policy is in force.

- (2) Medical-Surgical coverage is known as Part B or Voluntary Coverage. You must indicate when You enroll for Social Security benefits if You want this coverage. There is a monthly charge for it. The amount is deducted from Your Social Security monthly check. Medicare will determine the expenses that qualify for Medicare benefits. These expenses are known as Medicare Eligible Expenses. PART B MEDICARE CALENDAR YEAR DEDUCTIBLE: The amount You must pay each calendar year before benefits can be paid under Part B of Medicare. Medicare sets the amount of the deductible. This amount is not paid by Medicare. A calendar year begins on January 1st and ends on December 31st.

PHYSICIAN: A legally qualified and licensed practitioner of the healing arts who is practicing within the scope of his authority.

PREEXISTING CONDITION: A condition for which medical advice was given or treatment was recommended by or received from a Physician within six (6) months prior to the policy effective date.

PART 3: EXCLUSIONS AND LIMITATIONS

The benefits of this policy will not duplicate any benefits paid by Medicare. The combined benefits of this policy and the benefits paid by Medicare may not exceed one-hundred percent (100%) of the Medicare Eligible Expenses incurred. This policy will not pay benefits for the following:

- (1) The Medicare Part B Deductible;
- (2) Any expense which You are not legally obligated to pay; or services for which no charge is normally made in the absence of insurance;
- (3) Any services that are not medically necessary as determined by Medicare;
- (4) Any portion of any expense for which payment is made by Medicare or other government programs (except Medicaid); or for which payment would have been made by Medicare if You were enrolled in Parts A and B of Medicare;

- (5) Any type of expense not a Medicare Eligible Expense except as provided previously in this policy;
- (6) Any deductible, Coinsurance or Co-payment not covered by Medicare, unless such coverage is listed as an additional benefit in this policy;
- (7) Confinement that begins or expenses incurred while Your policy is not in force; or
- (8) Preexisting Conditions: No claim for loss incurred after six (6) months from the effective date of Your coverage will be reduced or denied on the ground that a disease or physical condition had existed within six (6) months prior to the policy effective date.

We will not pay for any expenses incurred for care or treatment of a Preexisting Condition for the first six (6) months from the effective date of coverage. This exclusion does not apply if You applied for and were issued this policy under guaranteed issue status; if on the date of application for this policy You had at least six (6) months of prior Creditable Coverage; or, if this policy is replacing another Medicare Supplement policy and a six (6) month waiting period has already been satisfied. Evidence of prior coverage or replacement must have been disclosed on the application for this policy.

If You had less than six (6) months prior Creditable Coverage, the Preexisting Conditions limitation will be reduced by the aggregate amount of Creditable Coverage. If this policy is replacing another Medicare Supplement policy, credit will be given for any portion of the waiting period that has been satisfied.

PART 4: MEDICARE BENEFIT CHANGES

The benefits provided by this Medicare Supplement policy are designed to cover Cost Sharing amounts under Medicare and will be changed automatically to coincide with any changes in the applicable Medicare deductible, Co-payment, or Coinsurance amounts. Premiums may be modified to correspond with such changes as specified in the Right to Adjust Future Premiums provision as stated in Part 5.

PART 5: RENEWABILITY

You may renew this policy for life by paying the premium when it becomes due. We may not cancel this policy before the expiration of the grace period. If the premium due is not paid during the grace period, the policy will terminate coverage at the end of the period for which premiums were paid.

Right to Adjust Future Premiums: The premium shown on the Policy Schedule Page may change on the premium due date following the date:

- (1) We change the rates which apply to all policies of this form issued by Us and in force in Your state;
- (2) Coverage under Medicare changes; or
- (3) You move to a different ZIP Code location.

We will send You a written notice at least thirty (30) days in advance when We change the premium rates for all policies of this form issued by Us and in force in Your state.

PART 6: ELIGIBILITY

INSURED is the person named on the Policy Schedule Page, located on Page 3, until death or termination of coverage.

PART 7: PREMIUM PAYMENTS AND REINSTATEMENT

Initial: This policy is issued based on the application, Our underwriting requirements and payment of the initial premium. The policy begins on the effective date shown on the Policy Schedule Page. All periods of insurance will begin and end at 12:01 a.m., at the place where You live.

Renewal: All renewal premiums must be paid in consecutive terms. They shall be paid by modes currently offered by Us. Renewal premiums are payable to Us. Premiums must be paid on or before the date due or before the end of the grace period. If this policy should lapse, the payment of a premium will reinstate this policy only as provided in the reinstatement provision in this section.

Grace Period: A grace period of thirty-one (31) days will be granted for the payment of each premium, falling due after the first premium. This policy will continue in force during the grace period. If the premium due is not paid during the grace period, the policy will terminate coverage at the end of the period for which premiums were paid.

Lapse and Reinstatement: If the renewal premium is not paid within the grace period, this policy will lapse on the first premium due date for which premium was not paid. If the policy lapses, Our acceptance of a premium payment without requiring an application for reinstatement will reinstate this policy. Any premium accepted in connection with a reinstatement will be applied to a period for which premium has not been previously paid, but not to any period more than sixty (60) days prior to the date of reinstatement.

If We require an application for reinstatement and issue a conditional receipt, this policy will be reinstated upon Our approval of the reinstatement application. If We do not notify You in writing of Our prior approval or disapproval, this policy will automatically be reinstated on the forty-fifth (45th) day following the date of the conditional receipt.

The reinstated policy will cover loss resulting from Injury or Sickness sustained after the date of reinstatement. In all other respects, Your rights and Ours will remain the same, subject to any restrictions attached in connection with the reinstatement.

PART 8: SUSPENSION OF COVERAGE BY YOU

Suspension Available During Medicaid Entitlement

- (1) Benefits and premiums under this policy will be suspended at Your request for the period in which You apply for and are determined to be entitled to medical assistance under Medicaid, but only if You notify Us within ninety (90) days after the date You become entitled to the Medicaid assistance. This suspension of coverage can last for up to twenty-four (24) months while Your Medicaid entitlement continues.
- (2) If suspension occurs and You lose entitlement to Medicaid, this policy will be automatically reinstituted (effective as of the date of termination of Medicaid entitlement) as long as You notify Us of the loss of entitlement within ninety (90) days after the date of loss and pay the premium applicable to the period, effective as of the date of termination of Medicaid entitlement.

Reinstitution of coverages as described in subparagraph (2).

- (a) Shall not provide for any waiting period with respect to treatment of preexisting conditions;
- (b) Shall provide for resumption of coverage which is substantially equivalent to coverage in effect before the date of such suspension; and,
- (c) Shall charge a premium at least as favorable as the premium that would have applied to You had the coverage not been suspended.

Suspension Available While Covered Under a Group Health Plan

Benefits and premiums under this policy will be suspended (for any period that may be provided by federal regulation) at Your request if You are entitled to benefits under section 226(b) of the Social Security Act and are covered under a group health plan (as defined in section 1862(b)(1)(A)(v) of the Social Security Act). If suspension occurs and You lose coverage under the group health plan, this policy will be automatically reinstituted (effective as of the date of loss of coverage) if You notify Us of the loss of coverage within ninety (90) days after the date of loss of the group health plan and pay the premium applicable to this policy period, effective as of the date of termination of enrollment in the group health plan.

Reinstitution of coverages:

- (a) Shall not provide for any waiting period with respect to treatment of preexisting conditions;
- (b) Shall provide for resumption of coverage which is substantially equivalent to coverage in effect before the date of such suspension; and,
- (c) Shall charge a premium at least as favorable as the premium that would have applied to You had the coverage not been suspended.

PART 9: HOW TO FILE A CLAIM

Notice of Claim: Written notice of a claim must be given to Us within ninety (90) days after the occurrence or commencement of any loss covered by this policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of You to Us, with information sufficient to identify You, will be notice to Us.

Claim Forms: When We receive notice of claim, if additional information is required, We will send You forms for filing proof of loss. If We fail to provide these forms within fifteen (15) days after receipt of notice of claim, We agree You will have met the requirements for filing proof of loss, within the time allowed.

Proof of Loss: Written proof of loss must be furnished to Us within ninety (90) days after the date of loss. Failure to provide written proof will not invalidate nor reduce any claim if it was not reasonably possible to send such proof within the time allowed, provided such proof is furnished as soon as reasonably possible. In no event, except in the absence of legal capacity, will any claim be accepted later than one (1) year from the time proof is otherwise required.

Time of Payment of Claims: All benefits payable under this policy will be payable immediately upon Our receipt of due written proof of loss.

Extension of Benefits: Termination of this policy will be without prejudice to any continuous loss which commenced while the policy was in force, coverage for such loss will continue beyond the date insurance ends. This extension of coverage is subject to Your continuous total disability and limited to the duration of the Medicare Benefit Period or, if none is applicable, payment of the maximum benefits. Receipt of Medicare Part D benefits shall not be considered in determining a continuous loss.

Payment of Claims: All benefits payable under this policy will be payable to You during Your lifetime, unless a valid written assignment by You to pay the medical provider is included with the claim.

Unless We receive prior written instructions from You to the contrary, any health care benefits unpaid at Your death will be paid to Your estate. If benefits are payable to Your estate, We may pay benefits up to \$1,000 to someone related to You by blood or marriage whom We consider to be entitled to the benefits. We will be discharged to the extent of any such payment made in good faith.

PART 10: GENERAL INFORMATION

The provisions of the policy set out Your rights and obligations as a policyowner and Our rights and obligations as Your insurance company.

Entire Contract; Changes: This policy, including the application, the endorsements and the attached papers, if any, constitutes the entire contract of insurance. No change in this policy shall be valid unless approved by an Executive Officer of the insurance company in writing. Such officer's approval must be endorsed hereon and attached hereto. No agent has authority to change this policy or to waive any of its provisions.

Time Limit on Certain Defenses: After two (2) years from the date of issue of this policy, no misstatements, except fraudulent misstatements, made by You in the application for the policy shall be used to void the policy or to deny a claim for loss incurred or disability commencing after the expiration of the two (2) year period.

No claim for loss incurred or disability that starts after six (6) months from the issue date will be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss had existed prior to the effective date of coverage of this policy.

Conformity with State Statutes and/or Insurance Regulations: Any provision of this policy, which, on its effective date, is in conflict with the statutes, and/or insurance regulations of the State where You reside is hereby amended to conform to the minimum requirements of such statutes and/or regulations.

Our Right to Examine Hospital and Medical Records: In the event of a claim, We may examine Your Hospital charts and medical records at Our expense if We find it necessary.

Legal Actions: No action at law or in equity shall be brought to recover on this policy prior to the expiration of sixty (60) days after written proof of loss has been furnished in accordance with the requirements of this policy. No such action shall be brought to recover on this policy more than three (3) years after the time written proof of loss is required to be furnished.

Physical Examinations: We, at Our own expense, have the right to have You, whose loss is the basis of a claim under this policy, examined when and as often as We may reasonably require while the claim is pending.

Cancellation: You may cancel this policy at any time by notifying Us. Your cancellation will be effective upon receipt of Your notice or on such later date as may be specified in such notice. In the event of cancellation, We will return the unearned portion of any premium paid. Cancellation will be without prejudice to any claim originating prior to the effective date of cancellation. Upon your death, we will refund premiums paid for any period beyond the policy month in which death occurred. Such unearned premiums will be paid in a lump sum no later than 30 days after the proof of your death has been furnished to us. Payment will be made to your estate.

- You may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.
- If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. - If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs, and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
